# FASHION SHOW IS TO BE HELD HERE 2 NIGHTS

Local Girls To Represent Many Firms In "Cotton Queen" Parade

The Murphy Woman's Club with the cooperation of the local merchanto will present a cotton style show and fashion revue a the Murphy theatre Friday and Saturday nights in an effort to stimulate greater interest in the use of cotton for dress. The show is under the direction of Mr. Kelly Kingman.

A cast of local young ladies will serve as models to display the seasons latist fashions on the stage of the theatir eah night. Much interest is being manifested by the local merchants in this novel method of boosting the South's leading staple and a large attendance is expected to be present when the selection of "Miss Cotton Queen" of Murphy is made during the performance.

The winner will be selected by ap-The winner will be selected by ap-plause. The young lady selected as winner will be given a permanent wave at Candler's beauty shoppe. She will also be a guest of the Cot-ton style show in the next town as "Cotton Queen of Murphy."

Miss Leona Miller, winner of the show at Bryson City last week, will be here for the show.

In addition to the modeling num heer local entainers will be introduced with the entire performance staged as an added attraction to the regular screen program at no extra admission charge.

Proceeds will be used to sponsor art appreciation contest in the local school.

At press time the complete list of At press time the complete list of merchants taking part in the program and their sponsors was not available. February 20. Formerly the institution has had Formerly the in-titution has had two branches, in Andrews and Mur-phy with all deposits being made un-dir an Andrews date line. However W. W. Hyde, Murphy cashier of the bank, said the change in the keeping of the records would start Wednes-day day.

#### MEETING CALLED OF THE BASEBALL **CLUB WEDNESDAY**

Henry Hickman, newly elected manager of the ball club for the coming season has called a meeting of all baseball payers to be held in the Cherokee Scout office Wednesday evenng at 7 o'clock for the purpose of measuring the men for their new uniforms.

There wi'l be 13 new uniforms made for the team and the following firn and citizens have subscribed to auy them according to Mr. Hickman: Burton Cornwell, Walt Manney, Abe Hembree, Harold Hatchett. Carl Townson, Jim and Bill Hembree, Mrs. Lillian Lahn, Miss Marie Priss, Dr. J. N. Hill, William R. Lloyd, W. A. Sherrill, Walter Coleman, Dr. R. S. Sherrill, Walter Coleman, Dr. R. S. Parker, Winslow McIver, and Joe Ledford.

At the same time Mr. Hickman said he would start cellecting the money that has been subscribed for the new 50-foot grandstand to be built in the near future. According to Mr. Hickman ar-

rangements have been made to put the local ball club in the Blue Ridge league which will take the place of Marble which was in it last year.

A great deal of spirit has been shown in helping to put the local tram over in a big way this season and with a good group of hard-work-ing players lined up a fast winning team for the coming year is assured.

CONTRIBUTORS ASKED TO SEND **COPY IN EARLY** 

A great many letters and contributions are pouring into this office weekly for publication

As our space is mited, naturally it is imposible to prine all the conwibutions although they are greatly apprecia: .1.

The Scout is primarilly designed to be a NEW s paper but its colin s are open to par, expressions af opinite. It is the managements deep regret that there is not sufficient pace for al the contributions

ing in. Also a number of items are being sent to the clice theighed but 10.44 ing will be published in the S<sup>-</sup> at without the writer's signature.

All official correspondents are urgently requested to send in treir material as early as possible. Com-

## DAIRY AGENT IS URGING USE OF CO. CREAMERY

Mendenhall Also Wants Farmers to Raise More MURPHY HI WINS and Better Cattle Here

Since his arrival in this section nearly three weeks ago to take up his duties as assistant county agent in poultry and dairy work, S. W. Mendenhall has contacted a large number of farmers in Cherokee county and is encouraging them to ship their cream and eggs to the Valley Mountain creamery at .Brasstown.

Mr. Mendenhall is taking a great deal of interest in the dairy station and is urging the farmers of this section to use it as an exchange place for their cream. He is working on a plan to have additional stations at Murphy and Andrews in the near future.

Since it was started six and one half years ago, the Mountain Valley creamery has proven a boon to

l rge number of dary farmers and Mr. Mendenhall feels that the farmer in this county now has a better chance than ever to cash in on his cream and eggs.

Also included in Mr. Mendenhall's work is the encouragement of a larger and better grade of dairy cattle. He is stressing the fact that dairy cattle are profitable if they are of a good bread breed.

Anyone seeking advice in his linof work is asked to get in touch with him at the John C. Campbell Folk School at Brasstown.

Murphy's all-star basketball (cam will compete in a tournament of 16

### DOUBLE-HEADER FROM ELF TEAMS

Murphy's basketeers, fresh from their brilliant victory over the Elf players, will be out to scalp the Indians from Cherokee who arrive here Friday night to lock horns with the local boys. Cherokee is the best team Murphy has to face It will be a nipand-tuck game from the go with both teams looking for blood. The ceiling is high here and Murphy can arch then as high as they want to. The ceiling on the Indians gym is reputed. ly low and is said to have impaired the Boomers shots when they played over there recently. It is always a good game when the Indians and the Boomers tangle.

By Pruden Davidson Both Murphy and Elf played their 13th game last night before a record About 250 spectators saw crowd probably the closest game that the Boomers have played this season.

The Murphy girls started off slow and the score alternated in favor of both sides until late in the last quar-Both teams were evenly matchter. ed and scoring seemed difficult at both goals. At the beginning of the last quarter Ruth Earwood came into the game and seemed to add life to the team, as she scored 6 points, giving them a lead of 4 points which they kept up during the rest of the game. The final score was Mur-phy 21 Elf 17.

The boys game started off with a bang, as both teams began at full The boys game and began at full bang, as both teams began at full speed. Both sides scored evenly dur-ing the first three quarters, and at the half Elf had a small lead. The originally in cast iron pipe. It is estimated that the decrease in leak-estimated that the decrease in leak-age of that portion that is in terra teams from Georgia, North Caronna and Tennesee at Blue Ridge, Ga., Thursday, Friday and Saturday last quarter the boys gained new life nights, Bill Benton, manager of the bar announced. In the latter particular the boys gained new life and Taylor was put in to gain the tip-off. This enabled them to have better control of the ball and so about At present the men are stripping the dirt off the water line and they 6 points were scored in the last min-ute and half of play.

In the two minutes in which Taylor played he scored 4 points, while the record of field goals went to Lester Millsaps, who scored 10 points during the game. Hollifield and F. Long his office. "and we can safely say Millsaps was in the game last night after being out for several weeks, but was still handisanned by having In the two minutes in which Taylor after being out for several weeks, but was still handicapped by having the cast still on his broken finger.

PIPE TO BE LAID; SETTLING TANK IS TO BE FIXED

FERA Labor Being Supplied On Council's Action Taken February 4

Ninetcen hundred feet of 8-inch east iron pine has been purchased by the town of Murphy and is being us ed to replace the terra cotta portion of the wtaer line leading from the Murphy reservoir of Fain's mountain to the city, it was announced Wed-nesday by E. O. Christopher, town clerk.

At the same time it was announced that repairs would be made on the settling tank and that the council oped to be able to work on the dam before long.

The work is being done by a group of 15 FERA laborers under George Leatherwood and the cost of the repairs was estimated at \$1750.

The action was taken following a meeting of the city council on Feb. 4, at which time that body decided to make necessary repairs on Mur-phy's water supply while FERA labor could be obtained for nothing, thus cutting in half the expense that would be incurred if help had to be hired.

Line 3 Miles Long The water line running from the sorts will be complete and Murphy's supply of water from that source will be doubled.

are expected to be at work on the settling tank within three weeks. "Mr. Arnold H. Vanderhoof, of

During the unusually dry summer of 1926, the town was forced to limit its water supply and build a filter-ing plant one mile from town on the Hiawassee river, and it was necessary to pump the water here entail-

ing a large expense. Due to leakage at the dam on the mountain the pumping station has an immediate family, who enter the gym at the same time, will be admit-ted for 25c.
