

Murphy High School

FOOTBALL SUMMARY

By Pruden Davidson

This article recalls to memory a most successful season of athletics, in which football played a chief role. Several facts make-up this success of the game, which should be mentioned at least. They are: That Murphy scored 100 points during the year, and her opponents scored only 14 points.

That not a single Murphy man was carried off of the field on account of injuries.

That the game attracted record crowds and unsurpassed support was given by local businessmen.

That Murphy lost only one game, winning three and tying four.

These facts along with the spectacular playing and cool headwork of the team contributed to the successfulness of the team.

The games played by the local team and the score are as follows:

October 5—Bryson City 0, Murphy 0.
October 12—Andrews 0, Murphy 0.
October 19—Hayesville 0, Murphy 26.

October 26—Cherokee 0, Murphy 14.
November 9—Bryson City 7, Murphy 0.

November 16—Hayesville 0, Murphy 55.

November 23—Copperhill 0, Murphy 0.

November 30—Andrews 7, Murphy 7.

Several first-string players will graduate next Tuesday night, and end their days of High school football. Those whose names will not be on the list next year are:

Truman Hinshaw, H. J. Ayres,

Glen Enloe, Harley Barton, Martin Montgomery, Woodrow Goforth, Leslie Hampton.

A large group of boys who came out to play last fall will also appear again next September. They are:

Hayes Leatherwood, Henry Luckett, Arnold Millsaps, Troy Millsaps, Charles Henderson, Tyson Smith, Robert Cook, Quentin Woods, Clifton Mill, Bartley Millsaps, V. C. Hughes, Hal Leatherwood, Gaines Elkins, Lawrence Johnson, Grady, Ramsey and Dennis Barnett.

During the last few weeks, since basketball season is over, coach Deaton has had the new recruits over at the field receiving instructions from some of the "old-hands". He said that there was plenty of material available for a good team next year.

REVIEW OF DRAMATIC CLUB

George Williamson

When the Dramatic club was organized at the first of the school year there was no money to buy costumes, make-up stage sets, etc.. A plan was suggested which was very satisfactory it was a satire on the faculty called "Mummies on Parade", in which a great scientist discovered the bodies of teachers and pupils and brought them back to life. The satire was very amusing.

In February three one-act plays were presented by the Dramatic club. These brought out some very good acting for high school players. The plays were, "The Romaners," by Rostand, "No Count Boy," by Paul Green and "Country Complex,"

In March the Dramatic club took

one of the plays, "No Count Boy," to the tournament at Cullowhee. The players were Glen Enloe, Katherine Coleman, Lawrence Johnson, Hazel Hampton, Glen Enloe and Katherine Coleman were placed on the all-tournament cast.

Mr. Deans, sponsor of the Dramatic club had charge of a chapel program in April.

He let the members of Dramatic club who had not appeared before an audience this year prepare skits and present them without help in selection or coaching.

A Christmas program was given by the Glee club and the Boys chorus. Two songs were sung on the club night program. A chapel program has

been given and since that time concentration has been on the commencement program which will be a song on Thursday night at the High school Recital one for the baccalaureate sermon and one on commencement night.

Moselle Moore

The Junior Woman's Club sponsored a course in music appreciation in the elementary school and will give a medal to Marion Axley, winner.

Honorable mention goes to R. Berta Carringer, Mary Lee Roberts, Gloria Daniels, Hallie Mae Hinshaw, Kate Padgett.

EUGENICS AND HYGIENE

Mae Timpson

Miss Kidder gave a series of eight talks to the girls over sixteen, but school activities have taken up most of the extra time and she has been able to meet with the younger girls only a few times.

She asked us to cooperate with state health workers in the reducing the death rate of mothers and babies, and is arranging to have several copies of The Maternity Handbook put in the Murphy Carnegie Library. Those of the girls and any others who want to read this book may borrow it from the library.

HOME ECONOMIC NEWS

Jennie Lee Spivia

In the Home Economic Club this year many interesting and important subjects have been discussed. Some of these pertained to clothing, food, and the home. Plans have been discussed for improving each of these, and the club members have all learned something that will be helpful to them.

SUMMARY OF HIGH SCHOOL CHAPEL

Aileen Hampton

The faculty and students of Murphy high school have enjoyed a number of instructive and entertaining

chapel programs this school year.

The school has been very fortunate in hearing speeches from several distinguished persons both in and out of town. Among the out of town guests were Governor Ehringhaus, of Raleigh, N. C.; Mrs. Quertzena, of Holland, Dr. H. T. Hunter, president of W. N. T. C. at Cullowhee; Mrs. Lanning who has visited the Holy Land; and Mr. R. D. Blagg, T. V. A. director of this city.

Other features of the year were programs given by each of the home rooms and by several of the clubs.

WOLF CREEK

The frost Sunday morning did but little damage in our section, although some of our early gardeners were apprehensive of its effect for several hours.

Mr. P. A. Davis went to Fletcher, Saturday after Mrs. Davis, who underwent a major operation in the Mountain Sanitarium and Hospital, there several weeks ago.

Panthersville, Ga., a little town between here and Copperhill, had a killing last week. It is alleged that a Walden boy, as a result of ill feeling of long standing, shot and killed Claud Young. Walden made his escape and at last report hadn't been apprehended.

Several of our people attended the speaking, Monday, of Eugene Talmadge, Governor of Georgia, at Murphy. Our people consider that such treats do not often come their way, of hearing so progressive a man as Mr. Talmedge.

As a result of the sun shine Sunday the first in many days—there was a lot of visiting among the neighbors.

Our farmers are sowing Lespedeza seed again this spring. This is proof that last year's experience was satisfactory.

Tobacco farmers of Green County received \$170,000 in tobacco parity checks during the past week.
