

**Huey Long To Speak
On Hot Subject Soon**

Mr. Shorty Holder, who constitutes 50 percent of Huey Long's ardent supporters in Murphy, has requested us to make the following announcement:
The Kingfish will speak on the topic, "Who Is Wrecking America", over the National Broadcasting company's network at 9:30 p. m. (CST) Thursday May 2.

**New Improvements
Being Made Here**

Several more new improvements were being made in Murphy this week.
The Dickey hotel is redecorating and remodeling some of its rooms and is planning the building of an apartment over Christopher's store adjoining the main hotel property. R. D. Chandler, manager of the hotel, announced Wednesday.
A side entrance is being built into the West barber shop which is located under the Davidson building.

**Opens Jewelry Store
Adjoining Theatre**

Guy Prater, formerly connected with a jewelry and repairing firm in Andrews, announced this week that he had opened up an office in the Bates building adjoining the Murphy theater and that he is prepared to serve the public with the finest repair work.
Although his stock has not yet arrived, he expects to have an unusually nice line of jewelry in his shop in the next day or two.

**Riverside Station Is
Prepared To Do Work**

Herbert Lovingood announces the opening of the Riverside service station on the left of No. 10 just across the Hiwassee river where he is handling Standard gas and oil products and is prepared to do work on all makes of automobiles with a large assortment of second hand parts.
He is equipped to do all kinds of greasing servicing to automobiles and trucks.
He invites local patronage to give him a trial for first class work.

**Peachtree Baptists
Training Union Met**

The Baptist Training Union of Peachtree met Sunday evening, April 14, and elected officers for a period of six months.
Practically all the old officers who have served for the past six months were re-elected in order as follows: director, Nelson Leather- months were re-elected in order as wood; asst. director, Rev. Hobart Rogers; Gen. Sec.-treas. Vonah Lunsford; chorister, Frank McIntosh; pianist, Minnie Ferguson and corresponding secretary, Oval Sudderth.
It is very encouraging to the citizens of Peachtree community to note the progress that has been made in the church through the organization and promotion of a Baptist Training Union.
A. B. Y. P. U. was organized several years ago in this church and, as other organizations, a great deal of effort had to be put forth, by a faithful few, in order to have a noble Baptist Training Union as now have at the present time. When the Union was first organized, it was carried only during the summer months, and was only composed of one individual union, but now the Baptist Training Union is made up of four unions, namely: B. A. U., senior, intermediate, and junior, and continues throughout the year, both winter and summer.
We can attribute a great part of the success of our Union to our pastor, Rev. Crowell Shearin who is not only pastor of the church but pastor of the Baptist Training Union as well.

Nearly all Mecklenburg cotton growers are signing contracts to reduce their cotton acreage 35 percent for the present season.

Touring Sedan Newest in Ford Line

NEWEST and most luxurious of the Ford V-8 cars for 1935 is the Ford touring sedan shown above. A commodious built-in trunk which is an inherent part of the car design adds to its graceful proportions, and leaves the interior free for passengers when traveling. The Ford touring sedan is richly upholstered and fitted with de luxe appointments. The car is roomier than any previous Ford sedan, seating six persons comfortably. The new touring sedans are available in both Fordor and Tudor models.

**STUDENTS WIN
MANY HONORS
AT CULLOWHEE**

CULLOWHEE, April 19—Cherokee County students of Western Carolina Teachers College have recently come in for a goodly share of honors. Miss Edna Patton, Murphy, has just been elected as Queen of the May Day Festival soon to be held. This is a reminder that Edna was elected last year, at Wilmington, by the American Legion as Miss Murphy.
Merle Davis, of Murphy, was recently elected as superintendent of the College department of the Sunday School of the Baptist church. He is president of the religious council, a recently established campus organization, and has been serving for some time as Vice President of the Baptist Student Union. This but adds to his honor of being first vice president of the State B. S. U. He is also vice president of the Erosophian Literary Society and President of the Cherokee County Club. Merle was also strongly in the race recently for the Best College Citizen honor.
Other Cherokee students have not been without honors. Eunice and Evelyn Shields, sisters of Murphy, have been elected as members of the May Queens' Court.
Genella Barton, of Andrews, is vice president of the Cherokee County Club and serves as an assistant in the library. Maggie Bell Kisselburg, Culberson, is president of the B. Y. P. U. at the Baptist church and reporter for the campus B. S. U.

**Chevrolet Formally
Opens Its New Plant**

The Chevrolet Motor Company's 80,000-car-a-year assembly plant at Baltimore, Md., was formally opened April 9, and is now producing both passenger cars and trucks.
The city of Baltimore virtually made a civic holiday of the date, to celebrate the addition to its varied industries of its first automobile plant, and to welcome formally the representatives of the General Motors Corporation and Chevrolet Motor Company who attended the opening ceremonies. Official proclamation by the Governor of Maryland and by the Mayor of Baltimore welcomed the automobile officials to the State and to the city. After the flag raising at the new plant, and the inspection of the new buildings and equipment, formal banquet was given by the Association of Commerce in honor of General Motors and Chevrolet visitors. The speakers included Governor Harry W. Nice of Maryland, Mayor Howard W. Jackson, of Baltimore, Alfred P. Sloan, Jr., President and W. S. Knudsen, Executive Vice President of General Motors; M. E. Coyle, President and General Manager of Chevrolet, and Adam J. Hazlett, President Association of Commerce.
In its structural design, its lay-out, mechanical equipment and processes, the Baltimore plant may be looked upon as an exposition of five years' progress in automotive manufacturing methods, since it is the industry's

New Kidneys

If you could trade your neglected, tired and lazy kidneys for new ones, you would automatically get rid of Night Rising, Nervousness, Dizziness, Rheumatism, Burning, Itching and Acidity. To correct functional kidney disorders, try the guaranteed Doctor's special prescription called CYSTEX (Sine-tex) a Must for you up in 8 days or money back. At all Druggists.

first major building development since 1929. Chevrolet engineers and production authorities deem the new plant the most efficient in the industry, but freely give the credit to the many new developments in machinery and equipment that were available for the first time for use in planning a complete assembly plant.
However, even if the plant could boast none of its many equipment features that are to be found nowhere else, it still would represent a marked advance over any of the nine earlier Chevrolet plants, because it was planned by the same veteran staff of Chevrolet experts who had built the others, and who therefore were enabled to create at Baltimore a tent structure incorporating the cumulative benefits of many years in both planning and operating plants of similar specialized service. This experience was especially valuable in the design of the main assembly building, whose structural lay-out includes many innovations. Here for the first time utilization is made of overhead galleries (served by conveyors) either for the storage of materials to be fed continuously to sub-assembly lines immediately below them, or for the final operations on bodies preliminary to mounting them on chassis.

**Cancer Operation
Proves Successful**

Birch—The people of this section were glad to learn that a cancer operation was successfully performed upon Mrs. W. P. Stiles by Dr. Emory Sneed, of Hiwassee.

**Axley Service Station
Moved To New Stand**

The Axley garage, formerly located across the Hiwassee river, has been moved to the old C. E. Hill service station directly adjoining the Standard filling station and is prepared to do mechanical work on all makes of automobiles and render the good service they have in the past. James Axley, proprietor, announced Wednesday.
He has been moved several weeks, he said, and is enjoying a good volume of business.

**E. C. Moore Gives
Dance In New Garage**

A square dance was held in the top story of E. C. Moore's new garage Wednesday night and a large number of dancers gathered there to enjoy the music of Earl Johnson and his orchestra.
The interior of the building has practically been completed and Mr. Moore now has his Dodge and Plymouth cars on display there.

DICKEY FEED CO.

We still have a good supply of Lespedeza Seed for this spring, time yet to get them sowed.

Our Line of Fertilizer is complete, we handle the Knoxville Fertilizer the kind that has lime filler, try it this season and see the difference.
