Martin's Celebrate Golden Anniversary

(By Special Correspondent)
The golden wedding anniversary of Mr. and Mrs. W. J. Martin was celebrated Friday, August 16th, and was attended by 86 persons including the immediate family who are all related to the beloved couple except 21 who were visitors from the following states, Georgia, Tennessee, Kentucky, New York, New Jersey and Maryland.

It was felt that God has generously blessed this dear old couple. Mr. Martin, better known as "Uncle Jule," is 72, and his wife, better known as "Aunt Mary", is 71. This union was blessed with three children, Arthur and Paul Martin and Mrs. Norma Carringer, 19 grand children and two great grandchildren.

We feel that our community has been greatly blessed by having the influence of this dear Christian couple whose timely counsel and reliable advice is to the young people as a light house is to the sailor in that it guides them to the safe harbor of home.

We further feel that it has been a great privilege and favor to us to have this opportunity of honoring these dear friends in life, because in death the dead know nothing.

Therefore we are humbly grateful to have the privilege of clasping hands, partaking with them of food of which a bountiful table was spread, and enjoying with them the nice presents of which they received quite a few.

Turner started the hurling for the boys from the Copper Basin but couldn't stand the gaff and McNally went in for relief. But there was no stopping the local boys.

Wilson was injured in the fifth inning when McNally attempting to throw him out at first hit him in the face with the ball. Ray Barton broke his finger in the seventh when he attempted to stop a foul tip. And McNally slightly sprained his ankle running to first one time.

Parker and Reachle made two pretty catches.
