## EIGHT TVA TEST FARMS ADDED IN CHEROKEE AREA

Total Acreage Is Now 2974, Assistant County Agent Says

Eight additional TVA demonstration farms have been named in Cherokee county by R. B. Wooten, assistant Cherokee county agent.

This runs the number to 19 in the past six months and the test lands embody a total of 2974 acres in this county.

Those recently added to the list were: J. P. Bryan, Patrick, 229 acres; J. T. Hayes, Tomotla, 175 acres; W. H. Johnson, Postell, 155 acres; A. M. Simonds, Letitia, 125 acres; J. C. Townsend, Marble, 405 acres; E. A. Voyles, Murphy, 105 acres; Clifton Radford, Grandview, 79 acres, and J. F. Wood, Suit, 55 acres.

There will be 24 tons of triple superphosphate fertilizer shipped to these farms in the near future at no cost to the owners except freight, Wooten explained.

Although the land and its crops will be under TVA supervision as model farm lands, the officials in no way interfere with the owner's regular crop plans, he pointed out.

At present the county agent's staff and TVA authorities have been stressing the importance of correct crop rotation and a number of satisfactory results have been obtained Wooten said.

More of the test farms will be added to the list, Wooten continued, as a farm plan is worked out for those already working under the TVA program.

## STATE ORGANIZER OF PENSIONS PLAN SPEAKS IN MURPHY

W. B. Fisher, of Andrews, state organizer for the Townsend plan of old age pension, spoke to a large group in the court house at noon Monday on the merits of the plan that would give compensation to unemployed people over 60 years of age provided they spend it within a limited time, and told them the plan was fast winning its passage in congress.

He explained the new features of the plan which were modified to better advantage over the original outline as formulated by Dr. Townsend of California.

Mr. Fisher has been very active over the plan since its original draft and has spoke to groups in practically every county in North Carolina.

## REPORTER, OTHERWISE HEALTHY, SUDDENLY ILL AND OUT A DOLLAR

Tuesday morning the reporter got up feeling like a daisy. A beautiful day, a nice breakfast. Ah, what a wonderful world to live in.

So up to the court house we started; brisk of step and clear of eye.

But at the empty lot between Parker's drug store and the new five and ten cent store we stopped for there was a crowd gathered; and where there's a crowd there's news.

A man was throwing knives at a woman. He wasn't so good at it, though. He would throw about a dozen of them and never once hit her. And the funny part of it was when he had thrown all his knives she would hand them back to him and let him try it all over again. Even we thought we could do better than that.

Then the Barker started and we found out we had been inveigled to a medicine show with the rest of the boys.

"Now ladies and gen'mun, we have a little pepper-ation here for sickly men and sickly women and good for indigestion in little children. It helps you to sleep at night and relieves the pain in your back. It also helps chapped hands and a drop or two rubbed into the scalp good at night will relieve your old grandpa of his sciatica."

This fellow was really good. He knew his medicine. He could tell you just how you felt when you had

## Married Men Come Through to Win 9-3

All the married men about town are happy now. They beat the single men in Sunday's ball game, 9 to 3. The self-styled "Tigers" scored consistently through the nine innings to gather that many runs, while two runs in the sixth inning and a home run by Ed Whitaker in the seventh wound up the "Cubs" scoring.

## Cherokees Will Meet In Murphy Nov. 23

A meeting of all Cherokee Indians in Cherokee county has been called for Saturday, November 23, at the court house in Murphy by Sibbald Smith, newly elected chairman of the band that reorganized here several weeks ago.

Further reorganization and a change in the recently drawn up constitution for the Eastern Band of Cherokee Indians will be discussed.

Mr. Smith is anxious that everyone interested in the welfare of the Indian race attend this important meeting.

## Edwin Hood, Of Young Harris, Ga., Is Buried

Funeral services for Mr. Edwin Hood, 33, of Young Harris, Ga., a brother to Miss Pauline Hood, who was a former Murphy school teacher, were held Wednesday afternoon at 3 o'clock at Young Harris with the Rev. C. D. Reed officiating. Peyton G. Ivie was in charge of funeral arrangements.

Mr. Hood, who had been sick for about three weeks, died of a tumor of the brain October 29. He had many friends and relatives throughout this section.

He is survived by his parents, Mr. and Mrs. John Hood, of Young Harris; his sister, Miss Pauline Hood, who is now teaching in Raleigh; another sister, Mrs. Lay Bryson, of Young Harris, and a brother, John, of Young Harris.

## Large Crowd At Court

Court week drew its usual large crowd to Murphy.

Although no particularly interesting cases were on the calendar, the court room was packed and jammed at every session trying mostly criminal cases before Judge Wilson Warlick.

## PREACHER TO ARRIVE

The Rev. W. A. Barbe, newly elected to the local Methodist pastorate, was scheduled to arrive here Wednesday evening. He will reside at the parsonage and will officially begin his duties Sunday at the regular worship.

He succeeds the Rev. T. F. Higgins who was transferred to Charlotte.

# Nine WPA Projects Putting 345 To Work In Cherokee County Receive Approval

## DALE LEE MADE ASSISTANT SEC. OF LOCAL LIONS

Club Decides To Aid Woman's Club In Beautification Program

Dale Lee, of Murphy, was elected assistant secretary of the local Lions club at their regular meeting in the high school auditorium here Tuesday night.

Due to the press and demand of the office the club decided to elect an assistant for Dr. E. E. Adams, secretary of the club, to help in making reports of the club's activities.

The club also went on record as willing to assist the Murphy Woman's club in beautifying lots along the main highway in Murphy.

Lion Lee then explained that plans to carry forward a proposal to organize an agency to promote industrial development of the entire Tennessee valley had been initiated unofficially by members of the Chattanooga Chamber of Commerce recently and urged Murphy's support in the enterprise.

He read a letter from Colonel Harold C. Fiske, of the Chattanooga public power board, which outlined plans to call conferences with all interested communities in the valley.

Mr. Lee was elected to carry on correspondence in behalf of Murphy and the Lions club in this enterprise.

W. M. Fain, past president of the club and a state director of the Lions, has been selected state chairman of the Wayside committee of the 31st district, it was reported.

## Refrigerator Or Radio To Be Given Away Free

Mr. W. R. Pinkerton, owner of Pinkerton's store and the Ardmore Beauty Shoppe, is going to give a \$125 Frigidaire or Philco Battery radio away free the night before Christmas.

With every purchase of one dollar at either the store or the beauty parlor, the customer will be given a ticket and the holder of the lucky ticket will be awarded his choice of the electrical refrigerator or radio on Dec. 24.

Pinkerton's store was opened several months ago with a full line of fresh goods and is fast winning popularity among the customers of the Murphy trade area.

## Murphy To Play At Hayesville Friday

Still undefeated, the Boomers, the most formidable football team in this section, will play their second game away from home Friday when they meet Hayesville on the latter's field. Murphy played their first game of the year against the same team from Clay county and won by a score of 6 to 0.

## A FORTUNATE CALAMITY

"A Fortunate Calamity", a comedy drama at the White church at Hangingdog on Friday night November 8th, at 7 o'clock.

The play is being sponsored by the Ladies Aid Society of Martin's Creek. The proceeds will go to the Baptist church. Everybody come and enjoy a few hours of good entertainment.

The admission will be 10 and 15c.

## BROADWAY HEMBREE IN WRECK

Maybe we'll get it right after awhile—this business of the fifth party in the Hembree wreck at Ellijay several Sundays ago.

It was Broadway Hembree and this announcement closes the argument and absolves all others heretofore accused.

## Theater Screen Is Injured By Marbles

Some mischievous children have been entering the Henn theater and throwing marbles through the screen practically ruining it and P. J. Henn, the owner, is appealing for an abandonment of this practice.

The screen in the new theater cost well over a hundred dollars and the habit of throwing things at it has caused severe injury.

## DICKEY'S STORE ROBBED OF \$600 IN MERCHANDISE

Thieves, who entered through a rear door, robbed the W. B. Dickey and Sons store of about \$600 worth of clothing last week.

Only a few days before someone entered the bargain annex and took about \$60 worth of goods.

The entire loss was estimated at nearly \$700 by Mr. E. C. Mallonee, manager of the store, who said most of the goods taken was clothing but that it was probable more unnoticeable articles had also been pilfered.

Although several are under suspicion no arrests have been made. A fingerprint expert from Asheville has gone over the store and is now studying the evidence he has gathered.

It has been necessary to repair the back door where the last robbery took place and the upstairs window where the thieves entered on the first venture.

## Hooper Child Goes To Home Of Grandparents

Two-year-old Glenna Hooper, lone survivor of the wreck on Tatham Bald that cost the lives of six of her family, was dismissed from the Petrie hospital here Monday afternoon.

The tot, pronounced completely out of danger by hospital attaches, went to the home of her grandparents, Mr. and Mrs. G. W. Laney, at Madisonville, Tenn., to live.

## MASONIC MEETINGS

The Cherokee Lodge, No. 146, of the Masonic Order, will hold a meeting every Monday night at 7:30 o'clock. Bill Hembree announced this week. Practice work will be done at these meetings, he said, and all Masons are welcome to attend.

## MURPHY HIGH SHOWS SUPERIORITY AND SKILL TO OUTPLAY SWANNANOA

The Murphy football team proved itself to be one of the strongest high school teams in this section Friday afternoon when the regular team ran rampant over the Swannanoa eleven during the first half of the game and the reserves gained consistently all the while holding the visitors to no score and a mere two first downs with the final score being 26 to 0.

Murphy ran up eight first downs in the first portion of the game and the second team, displaying marvelous possibilities for a "green" eleven, added three more in their half of the game.

Both teams gained at will through, around and over the visitors and displayed a deceptive and powerful game that Coach O. W. Deaton was dubious about being able to whip into them when the season began.

Murphy is distantly the most outstanding team in these parts as was shown by their play Friday. The Boomers scored three touchdowns in the first half of the game and one more in the last half.

Soon after the game Charles Henderson raced 35 yards around the Swannanoa end and placed the ball on the seven yard line where Troy Millsaps bucked it over on the first play.

Allen Wise cracked the middle of the line for the point after touchdown.

## ALL ELIGIBLE RELIEF FOLK TO BE HIRED

C. I. Calhoun Is Head Of Local Unit Of Administration

Nine WPA projects which will employ 345 people in Cherokee county had been approved and placed in the hands of C. I. Calhoun Tuesday.

The expenditure on the projects will amount to approximately \$50,000.

There are 856 people in Cherokee county that are eligible for relief work and Mr. Calhoun said that the county-wide projects would apparently be approved soon and that work would be given to all the eligible parties.

While the nine sanctioned up until Wednesday primarily called for town street and school improvements, the applications awaited here will cover work on Cherokee county roads.

Approved but not yet received by Mr. Calhoun was a sewing room project that would give employment to 88 women. Although not officially stated, Mr. Calhoun said these sewing rooms would be located at Grandview, Culberson, Andrews, Peachtree, Murphy and the Liberty section.

All buildings used for sewing room projects must be fire-proof and answer other minor specifications and the community school houses will probably be used.

## Roads To Be Repaired

The farm-to-market and school bus roads repair projects will be placed in the hands of Grover Mauney, Mr. Calhoun said, and definite sections for the work have not yet been made.

Tuesday Mr. Calhoun's office was busy selecting workers and foremen for the approved projects and expecting more at any minute.

The projects thus far approved were: widening, grading and repairing the streets in Marble, \$4,176.50, 21 men, foreman, Roy Foster.

Complete grading, sodding and beautifying the Murphy school grounds, \$2,376.00, 21 men, foreman, Fred Brendle.

Widening streets to Leatherwood park at Andrews, installing 23 cul-
