IMPORTANT MEETING AT REHOBER CHURCH

The ways and means committee of rehober church met in executive session in the pasture's study behind the pulpit to revise, formulate, bequeath and promulgate plans to raise 23\$ in cash money to repair the roof on top of the church last night.

Yore carry spondent, mr. Mike Clark, rfd, was named to the chair and he presided over everything to the satisfaction of all persons concerned except holsum moore, art square and Mrs. gertie black, but no attention was paid them. Mrs. black got up and went home when somebody started a subscription paper at said meeting and didnt look back.

holsum moore moved that the church sell some seals like christmas seals for 25 each to go on the roof, and guaranteed to take 2 of same himself, but he was called down onner count of scudd Clark got the floor and suggested a big oyster supper, but was also voted down. then holsum moore lit a cigar which was ordered put out by the chair.

art square says the r. f. c. or p. v. a mcought furnish the labor to tack on the shingles with, and then all the members of the church would have to raise would be the nails, provided, of course, that they could buy the nail shingles on credrick from a lumber plant in the county seat till better times arrive. the chair decided that this was not feasible as the secont church tried that plan last year and fell down.

the pasture, rev. will write, rose on his feet and said: "brethern, if the members of the church will pay me only one-third of my salary for this year to date, I will give half of same to go on the roof where it leaks." holsum moore got mad and walked out, he had not paid anny-

thing since befor be got into pollicks enddaring 1933, but he come back after a while.

the chair fetched forward a plan to let miss Jennie veeve smith our afficient school principle, put on a minstrel show in the audy.torium and let the proceeds apply on the roof, and he named hisself as a deligate of one to confer and talk with her along proper lines. they are verry good friends. there being no further bizness befor the ways and means, at adjourned siney-dye.

yores trulie, Mike Clark, rfd, chairman.
