Because of the refreshing relief it has brought them, thousands of men and women, who could afford much more expensive laxatives, use Black-Draught when needed. It is very economical, purely vegetable, highly effective. . . Mr. J. Lester Roberson, well known hardware dealer at Martinsville, Va., writes: "I certainly can recommend Black-Draught as a splendid medicine. I have taken it for constipation and the dull feelings that follow, and have found it very satisfactory."

THE OLD YEAR ENDS—
We've taken stock, closed the books, locked the store for the holiday and now there's just one more thing to do—and it's the most important—wish you a Happy New Year!

PROGRESS—
The years bring new things. The ox-cart gives way to swiftly speeding motor cars. Electric lights shed their brilliance where once candles dimly glowed—it's a world of change. Our methods have changed too—we have tried to give this community the very best—in other words we've tried to keep pace with the times. But one thing has not changed—and that's the spirit behind this organization. There is still the same friendship, the same standards of ideals, and the same high quality of service that was in the beginning. And in the same unchanging spirit we offer our New Year Greetings and our wishes for happiness for everyone throughout 1936.
