Morning Haste

Smart Constable
G-Man—Got away, has he? Did you guard all the exits?
County Constable—Yes, but we think he must have left by one of the entrances.

Keeps Him Busy
Tourist—Don't you ever get lonesome up here?
Mountaineer—Oh, yes, but I have a couple of good jokes I tell myself.—
Current Events.

TERRIBLE SHOCK
"It's not such a bad world after all."
"What's happened? Has somebody paid a bill you thought you'd never collect?"

TOUGH LUCK

Mr. Rabbit—How I envy you Mr. Turtle. Here I'm spring house hunting and no apartments to let at all, and you're home when you pull in your head.

Hard to Classify

Jerry brought home a stray dog which he was eager to keep. He put up a strong plea for the dog but his father stood firm. His mother asked: "What kind of dog is it, Jerry?" Tearfully he replied: "Well, when he wags his tail he looks like an Eskimo Spitz; when he walks he looks like a Shepherd; when he barks he sounds like a Bulldog, but I don't know what he is."—Indianapolis News.

Facts Are Facts

The reporter was sent to write up a charity ball. Next day the editor called him to his desk. "Look here, what do you mean by this? 'Among the most beautiful girls was Horatio Lucian Dingley.' Why, you crazy idiot! Old Dingley isn't a girl—and besides he's one of our principal stockholders." "I can't help that," returned the realistic reporter. "That's where he was."—Masonic Craftsman.

TOUCHING APPEALS

She—You once said I appealed to you the first time you saw me.

New Antarctic Land Found by Norwegian Oil Tanker

Announcement in Oslo that a new land in the Antarctic had been discovered by the Norwegian oil tanker, Thorshavn, has aroused much interest in Norway. This discovery is not only of importance in the mapping of the South Antarctic regions, but may lead to Norway annexing more territory in the Antarctic.

Some years ago Norway disputed with Great Britain the ownership of Bouvet Island, which lies in the same region and is of value to Norwegian whalers in the Antarctic. The Thorshavn's discovery means that Norwegian explorers have at last found the missing link between King Leopold Land, Queen Astrid Land and Lars Christensen's Land.
