

**"My New Dodge Has Plenty On The Ball"**

Says **CARL HUBBELL**, Famous New York Giants Pitcher

I have owned several makes of cars, but my new 1936 Dodge has plenty on the ball when it comes to saving gas and oil.

I'm getting 20 miles to the gallon of gas—which is 4 more miles per gallon than I used to get with my old, smaller car.

In addition, it's easy to see why this new Dodge is called the "Beauty Winner" of 1936. I have never had a car that has given me such complete all around satisfaction.
