

HARRY P. COOPER

VOTE FOR
HARRY P. COOPER
for Representative of Cherokee County

I FAVOR ANYTHING THAT WILL BENEFIT CHEROKEE COUNTY AND ITS CITIZENSHIP.

The four acts that I favor enacting into law are:

1. Payment of Old Age Pensions.
2. Reduction of automobile and truck license tags, and that said tags shall be sold and distributed out of the Cherokee County Court House.
3. Repeal of the law placing a license tax on fishing for the citizens of this county in the streams of Cherokee County. Non-Residents should pay a nominal fee for fishing, but I respectfully call your attention to the fact that there are only three rivers in this county and none of them contain game fish, only the sucker type. If we go into the adjoining counties to fish in the game streams, we expect to pay a license for such privilege, and I do feel that the abominable practice of dynamiting fish should be severely dealt with.
4. Construction of as good a highway from Murphy to the North

I will speak at Marble Monday, 7 p. m., Oct. 12, and Culberson, Thursday, Oct. 15, 7:00 p. m. Music will be furnished by the Smoky Mountain Boomers String Band. Everybody invited, come.

Carolina-Tennessee State line via Unaka as we now have from Murphy to Culberson and from Murphy to Peachtree and Brass-town.

The foregoing platform expresses four of the more important laws I favor, but I want the citizens of this county to know that if I am sent to Raleigh as your Representative I will fight to have Cherokee County given its just recognition by the officials of this State. Heretofore nothing has been done for our county and it is high time that the officials at Raleigh be made to realize that we are a part of this great State and that appropriations of state money be made in this county just as it is in many other further East and more favored than we.

I am especially and intensely interested in seeing our aged and revered elderly people paid a monthly income. It is a disgrace and a shame that our old people should be dependent on relatives and the county poor house in their declining years. If I am elected I am going to insist that the Governor call a special session of the Legislature immediately following the election for the purpose of passing the law to take care of our old people before the long winter months begin instead of waiting until next spring to start paying the old age pensions. Our old people are entitled to receive their pensions NOW and not be compelled to wait until NEXT YEAR.

Your vote and your support will be greatly appreciated

Boy, 7, Who Beat Baby Is Not Sorry

Bellingham, Wash., Oct. 8.—A 7-year-old first-grade schoolboy who beat and critically injured a 27-month-old baby with a iron rod showed defiance toward police but no remorse, authorities say.

"I wanted to knock his (the baby's) brains out," Police Inspector Fred Benson quoted the boy as having said.

Police Chief E. Reed said the lad told Benson, "If I were a little older I would punch your nose."

The boy's name was withheld. The tiny victim, Roland Smith, son of Mr. and Mrs. Wayne Smith, had a triple fracture of the skull.

The young assailant was at the County Detention Home. The attack occurred Friday in a wood shed near the Smith home, to which the baby was taken.
