

MURPHY WHIPS STRONG SYLVA TEAM FRIDAY

Fourteen to 6 Victory Makes It Eleven In A Row For Boomers

By Hubert Adams, Jr.
Trailing 7 to 6 in the last quarter, Murphy came from behind and on a short off tackle play, Jr., Barnett, raced 15 yards for the winning touchdown to defeat a hard fighting Sylva eleven, 13 to 6 Friday. This was the same score that Waynesville had defeated the Sylva team earlier in the season. It was in the last quarter that Murphy showed the benefit of their pass defense, which they have been working on for the past week. Sylva tried 10 passes in the last quarter, but did not complete a one.

It was a hard fought victory for Murphy, but their first downs as compared to Sylva's first downs should have given them the victory. This was the first time that Murphy had been behind in the score in the last two years, and they showed the spirit to win, by never giving up.

Some of the men giving favorable account of themselves are as follows: Smith, right tackle, gave a good account of himself by being in on every play, Johnson fullback, is showing more driving power; Mauney, halfback, is a shifty broken field runner; Barnett, halfback, is a hard driving back and hard to stop; Taylor, quarterback, a splendid pass receiver, and a man who can always gain ground when it is needed; Townson, halfback, fast and hard to stop in the open. The line charges hard and low, and a very few men have found it easy to penetrate in the last two years.

To Meet Copperhill
Murphy plays Copperhill here this Friday, at 3:00 P. M., and fans will recall that it was Copperhill that came near marring Murphy's perfect record last year. The fans will also remember that Millsaps tossed Henderson a lateral in the waning minutes of the game and Henderson raced 75 yards for a touchdown to defeat Copperhill 7 to 0. Copperhill would call it a successful season if they lost all their other games and defeated Murphy, so this Friday should be a very interesting game from the spectators view point.

Coach O. W. Deaton said that he intends to pull a surprise play over the boys from the basin this week, if necessary, otherwise, he is going to save it for a certain Thanksgiving game later on this season.

THE GAME PLAY BY PLAY

By Mildred Hill

First Quarter
Leatherwood kicked off to Sylva who kicked on the first play. Mauney fumbled and Sylva recovered. On the third down Sylva kicked to Murphy on their own 25 yard line. Townson carried the ball back about seven yards. On an off-tackle play Johnson gained three yards. After an incomplete pass to Luckett by Taylor, Johnson kicked. Sylva after failing to gain on two plays at the line, kicked out of bounds making it Murphy's ball on their own 30 yard line.

Double Killing Seen In "Legs" Mystery

WEYMOUTH, Mass., Oct. 15.—An attorney's declaration that Mrs. Grayce Asquith, pretty 40-year-old photographer's model whose legs were found in Boston Harbor last Monday, feared for her life convinced police Saturday night, they said, the identification of her slayer might

Mauney gained seven yards off tackle. On the next play Murphy was offsided and penalized five yards. From his own 32 Taylor gained 15 yards making it a first down on Murphy's 47. Mauney plunged through left tackle for 25 yards where he was downed on Sylva's 28 yard line. Taylor took the ball through the line for 10 yards. Here the first quarter ended with the ball down on Sylva's 18 yard line.

Second Quarter
After failing to gain at three tries at the line, Taylor went around left end for no gain. At this point the ball went over to Sylva who kicked it from behind her own goal line. Mauney took it in midfield. Murphy and Sylva battled each other for the possession of the ball until practically the end of the quarter.

During these plays Hughes and Barnett were substituted for Cole and Townson, guard and halfback. A blocked punt by Woods near Sylva's goal line finally led to a touchdown by Mauney who carried the ball over from the 10 yard line. The try for extra point failed. At the end of the first half the score standing 6-0 in Murphy's favor.

Third Quarter
Mauney took the kick off and ran it back for about 25 yards. Murphy was forced to kick but was blocked and recovered by Sylva who filled the air with passes and finally completed one over the goal line. The attempt for extra point succeeded and Sylva took the lead, score being 7-6.

The kick-off was taken by Townson who gained about 8 yards. On the fourth down Murphy failing to gain 10 yards, then kicked to Sylva on their own 30. Murphy's line held fast and Sylva was again compelled to kick. The ball being caught by Townson on the 40 yard line. It was carried to mid-field. From this time to the end of the quarter no progress amounting to anything was made.

Fourth Quarter
The ball was kicked out of bounds on the 30 yard line. Sylva fumbled and the ball was recovered by Murphy on Sylva's 11 yard line. From this point Barnett took it over for a touchdown. Taylor made the extra point and again Murphy was in the lead.

After this Sylva became rather desperate and began a passing game. Still she could not get nearer than Murphy's 38. One of the passes was intercepted by Johnson on Murphy's 22. Taylor threw a long pass to Luckett which was incomplete and the game ended with the ball in mid-field.

Several Sylva players were hurt during the game and the Boomer's first accident on the field this season occurred at the end of the third quarter when Hayes Leatherwood was knocked out but not seriously injured.

Taylor and Johnson especially were good in blocking in this game. The entire team showed great improvement over former games.

Cartersville Negro Atop Stack Plunges 102 Feet To His Death

Cartersville, Ga., Oct. 16.—After being perched atop a 102-foot smoke-stack for more than 15 hours, a negro who had defied every effort to return to safety, plunged to his death at 10:23 Tuesday night.

Reports were that floodlights had been trained on the negro most of the night and they went out for about ten minutes while the apparently crazed man sat precariously on the rim.

When the lights were turned back on, the negro was seen clinging by his hands from the outside edge.

He clung there for about five minutes and then fell, hitting a pile of pipe. He was instantly killed.

Earlier in the night the negro waved bricks at his would-be rescuers and shouted in defiance to those below who sought to bring him to earth.

Witnesses said the negro was be near.

Simultaneously news that his uncle had warned John A. Lyons, missing Boston disabled World War veteran and friend of the bleached blonde widow to "drop a Boston Italian" strengthened police belief that they might be dealing with a double killing.

Neither Mrs. Asquith nor Lyons has been seen alive since about the time they, together with Oscar Battalini, 50, chef and odd jobs man about Mrs. Asquith's summer cottage here, visited the place on September 19.

Battalini, who insists he never saw either again, is under voluntary detention.

atop the stack at 5 a. m. Tuesday.

The lawyer, whose name police refused to divulge, identified a man who beat Mrs. Asquith, police said, as a resident of nearby Quincy.

Refusing all offers of food and ignoring a chilly rain, the chimney riding negro loosed brick from the top of the stack at every approach of advisers. He cried at one time that "I know the way down, all right", but he made no effort to budge from his seat on the ten-inch rim of the abandoned stack.

While police and firemen kept a constant vigil, Dr. Newdigate M. Owens-by, Atlanta psychologist, expressed the opinion the negro was suffering a delusion.

"He's insane, of course," said the doctor. "He may have some

Lecturing in Belfast, Mrs. Sarah Barnes defined a "liar" as "a woman before she is married" and "a man after he is married."

Imitating what he had seen the older children do, Ronald Riffel, 18 months old, of South Bend, Ind., lay his head on a railroad track to "hear the train come", and was killed by the train.

Explosion of several cans of beans awakened Mr. and Mrs. Paul Trimble of Emporia, Kans., when their home caught fire one night.

grandiose idea that he's on top of the world."

The negro, who identified himself during the day by various names, talked incoherently and once said "the radio is after me."

"I enjoy that sense of ease..."

"CAMELS MAKE EATING a real pleasure," says Hank Siemer (below), deep-sea diver. Camels speed up the flow of digestive fluids—increase alkalinity.

NOTED GLIDER CHAMPION (above). Mrs. Russell Holderman says: "Tired and tense as I may get, a few Camels at meal-time and after seem to bring my digestion right back."
