

# MURPHY BEATS CULLOWHEE 'B' TEAM 14-0 HERE

## Boomers Play Brilliant Ball To Make It 14 In A Row

BY HUBERT ADAMS, JR.

One of the most exciting and hardest fought battles was waged on the local football field last Friday, October 23, 1936, when Murphy High, out-weighted 15 pounds to the man, outfought, outgained, and outscored a more experienced team, which was made up of former high school stars. Cullowhee College "B" team came to Murphy expecting a set-up, but that did not find the set-up that they were expecting as Murphy crushed them by a one sided score of 14 to 0.

It was a battle marked with thrills from beginning to end, and the Murphy boys reached their peak of the season, and should finish undefeated, but there is always some team which would rather spoil a good record than anything else. Murphy has several more games to play and not a one of them is a set up, in fact about two of them have an even chance of beating them. If Murphy could get through this season undefeated it is hoped by Coach O. W. Deaton that he can get a post season game with some larger high school in this state preferably Asheville High School.

This is the thirteenth straight victory for the local club, and they have not lost a game in the last 17 starts, being tied once by Andrews at the finish of the 1934 season.

The whole team played the best game of their football career. Lockett, Leatherwood, Smith, and Hobb Taylor were outstanding in the line, while Mauney, O. Taylor, Johnson, and Barnett played a splendid game in the backfield.

This game was marked by hard clean tackling, and good blocking, the best that has ever been seen on the local field.

This coming Friday, Oct. 30, 1936, Murphy meets Hayesville High at 3:00 P. M. This team has improved steadily during the season, and should give the boys a better game than they expect. We are hoping that the team will not let down after their splendid victory over the "B" team of Cullowhee, a team which was undefeated, untied, and unscored on before tackling Murphy High.

### PLAY BY PLAY MILDRED HILL

Humphries kicked 40 yards to Murphy, Johnson returning the ball 1 yard. Mauney made a 4 yard gain on an end run. Taylor carried through the line for a gain of 2 yards. Another 2 yards was made when Johnson tried an end run. Barnett then punted, but Cullowhee being offside, the ball was returned to Murphy. After Taylor made an 8 yard gain, Johnson then hit the line for another 3 yards, making a first down. Humphries intercepted a pass thrown by Mauney. Pryor crashed the line for 10 yards be-

fore being tackled by Mauney. After making a 3 yard gain on a spinner, Buchannon was stopped by Smith. Hampton next made 6 yards on an end run. Another spinner was attempted by Humphries, but was stopped by H. Taylor without an inch gain. Cullowhee made a first down when Hampton made 4 yards through the line and there tackled by Smith. Buchannon and Pryor tried plays over Rowland, but each time were stopped. Cullowhee was penalized 15 yards for holding. Smith, substitute for Humphries, punted 40 yards to Barnett, who caught the ball just before being tackled. After Taylor had carried the ball 8 yards to Cullowhee's 12, Barnett kicked 45 yards to Buchannon, who was tackled by Leatherwood, having made a 5 yard gain. Pryor made 8 yards through the line where he was tackled by H. Taylor. Smith gained 14 yards on an end run before being stopped by O. Taylor. Pryor tried a spinner and was thrown for a loss of 4 yards by H. Taylor. Hampton made a try at the line and had made only 1 yard when tackled by Smith. Buchannon threw a 10 yard pass to Pryor, who was stopped by Johnson. The first quarter ended with Cullowhee holding the ball on Murphy's 11 yard line, and it looked as if Cullowhee was sure of a touchdown.

#### Second Quarter.

Hampton gained 6 yards, being tackled by Smith. Buchannon and Pryor each gained 1 yard and each time were stopped by Lockett, Cullowhee was penalized for being offside. Buchannon tried a pass which was intercepted by Mauney. It was then Murphy's ball on their own 8 yard line. 4 yards was gained by Mauney on a line play. Taylor gained 3 yards on an end run. Barnett punted, but since Cullowhee was offside, the ball was returned to Murphy, giving them a first down. Johnson tried the line for 1 yard gain. Taylor made a first down by a 9 yard gain on an end run. Barnett punted 45 yards to Buchannon who returned 10 yards before being tackled by O. Taylor. Smith tried a spinner only to be thrown for a loss by H. Taylor, who injured Smith when he tackled him. Hampton was stopped with no gain by Smith. Rowland tackled Humphries before he had made any gain. Buchannon punted 20 yards, Johnson signaled a fair catch. Taylor gained 3 yards through the line. Time out called by Murphy. Gross is substituted for Leatherwood; Hunt for Barnett. Hunt tries a pass which is intercepted, ending the second quarter.

#### Third Quarter

When the second half began the Murphy players were pepped up, more confident of the game and seemed like an entirely different team. Leatherwood kicked off 40 yards to Hampton, who returned 5 yards and then tackled by Smith. Pryor carried the ball for another 5 yards. Humphries gained 5 yards before being stopped by Woods. Buchannon tried a line buck but was tackled on the line of scrimmage by H. Taylor. Buchannon tried a short pass which was knocked down by Leatherwood. Humphries' punted 30 yards to Johnson who was tackled before making any gain. Mauney threw O. Taylor a 15 yard pass, making a first down. Barnett gained 1 yard on an end run. Here Cullowhee was penalized for being offside. Mauney made a first down by gaining 12 yards on an end run. And again Cullowhee was penalized for offside. Taylor threw a 15 yard pass which was completed to Lockett over the goal line. O. Taylor made the extra point. Leatherwood kicked off 40 yards to Humphries who returned the ball 10 yards Hampton next fumbled the ball and Murphy recovered.

#### Fourth Quarter

Mauney completed a pass to Leatherwood which resulted in a 20 yard gain. This brought the ball to Cullowhee's 12 yard line. Taylor carried for no gain. Barnett brought the ball up 6 yards on an end run. Mauney hit the line for the remaining 6 yards, making Murphy's second touchdown. O Taylor made the extra point. Leatherwood kicked off 20 yards, the kick being blocked by a Cullowhee lineman. Hampton attempted a pass, which was incomplete. Humphries, after gaining 4 yards, fumbled and the ball was recovered by O. Taylor. Johnson carried with no gain. 2 yards was lost when Taylor tried a line play. An incomplete pass was next made by Mauney. Barnett punted out of bounds on Cullowhee's 30 yard line. Pryor gained 2 yards and was tackled by Lockett. Hampton completed a 4 yard pass to Buchannon who was tackled by Johnson. Humphries'

## Complete Coverage Is Given Football Games

Boomer backers and lovers of football locally are being spared nothing when it comes to receiving the latest from all fronts on coverage of Murphy high school football games.

Every game the locals play is being written each week in play-by-play accounts by Miss Mildred Hill, daughter of Dr. and Mrs. J. N. Hill, who follows closely the detailed play of the games as Murphy keeps ringing up victory after victory. Miss Hill brings the intricate and vivid accounts of the game to Scout readers with unusual journalistic ability which has found a great deal of favor among the games' followers.

Added to that are the more general and mathematical accounts as supplied by Hubert Adams, Jr., of the TVA staff here, himself a close and well versed observer of football and its tactics.

Follow the local game closely through these two commentators and interviews with the Coach and players by the editor of the Scout.

## MRS. W. H. COBB, 66, IS BURIED AT ATLANTA TUESDAY

Funeral services were held in Atlanta Tuesday for Mrs. W. H. Cobb, 66, mother of Ty Cobb, nationally known retired baseball player, and a sister-in-law, of Mrs. Nora Cobb White, of Cherokee county.

A native of Banks County, Georgia, Mrs. Cobb had been a resident of Atlanta for twelve years. She had been in declining health for the last several months.

Mrs. Cobb was a daughter of the late Mr. and Mrs. Caleb Chitwood. Her husband, the late Professor W. H. Cobb, was a prominent educator, and at one time served as school commissioner of Franklin County. He had held membership in both branches of the state general assembly.

In addition to Ty Cobb, who resides at Menlo Park, Cal., she is survived by another son, John Paul Cobb, of Sarasota, Fla.; a daughter, Miss Florence Cobb, of Atlanta; a sister, Mrs. Clifford Ginn, of Royston, and four brothers, Carter Chitwood, of Decora, Ga.; Stephen Chitwood, of Cairo, Ga.; Jones Chitwood, of Columbus, Miss., and Charles Chitwood, of Flagstaff, Ariz.

## Poultry Should Be Shut Up Now Ketner Declares

Farmers who raise poultry on a large scale are advised to shut them up in a laying house now in order to insure good production this winter, according to A. Q. Ketner, Cherokee county agent.

Chickens are really temperamental, Ketner says, and for good profits it is best to put them in the laying houses as they will not lay during the damp, cold weather from now until spring if not penned up.

Ketner advises that the houses be kept clean and comfortable to promote good laying and that the hens be given plenty of fresh water. About five gallons of water should be used daily for each 100 hens and they should be given about as much wet mash at noon time each day as they could consume in about 10 minutes.

Another important phase in fostering profitable laying is to cull the flock each fall, he says. Take out all those hens that remain on the roost a long time after daylight and walk around droopy. About five or 10 out of each 100 will be found to be bad producers, Ketner declared.

gained 4 yards to make a first down. Buchannon threw a pass which was intercepted by Mauney. Barnett gained 2 yards on a line play. Taylor tried the line with no gain. Mauney made a beautiful end run, getting 10 yards. In the last seconds of the game, Mauney tried a pass which was intercepted by Hampton, thus ending one of Murphy's most exciting and thrilling games this season.

## Three Local Girls Join Virginia Club

Three Cherokee county girls, all residents of Murphy, have become members of the North Carolina club at Virginia Interment college, according to an announcement from that school Monday.

They are: Miss Mildred Brumby, daughter of Mr. and Mrs. B. G. Brumby; Miss Ann Hill, daughter of Mr. and Mrs. J. N. Hill, and Miss Moselle Moore, daughter of Mr. and Mrs. Ed Moore.

## ELECTIONS . . .

(Continued from front page)

Saturday is challenge day, and on that date this whole thing will come to a feverish climax. From then on life will be just one frenzied dream until the nation settles down again to sane living after the election.

### County Ready for Large Vote.

Josh Johnson, chairman of the election board of Cherokee county, has announced, that everything is in readiness at the polls for a record vote.

Political leaders of both parties are assured of victory and there is every indication of the largest and most enthusiastic turn-out to the polls Tuesday that this county has ever known.

In this issue of the Scout sample ballots of county, state and national tickets to be voted are printed for the convenience of the voters who will go to the polls Tuesday.

In 24 precincts in Cherokee county the polls will open at sun-up Tuesday morning and remain open for voting until sundown when the registrars and judges will count the returns.

There is no reason to expect anything unordered during the day, and election officials are prepared to insure the utmost in clean, well-protected voting.

Tuesday the New Deal neck goes on the chopping block. Aspersions have been cast on the Roosevelt administration for its policy of government authorities and spending policies. Simply some think they have served well and will continue to do so. Others don't. Will it survive? We'll know Wednesday.

## LIONS CLUB . . .

(Continued from front page)

blind by his club in Asheville and he solicited the cooperation of the local club in aiding in the work.

Dr. Petrie and Dr. Adams reported that one crippled boy from Cherokee county had been taken to Asheville for treatment at a free clinic by the club, and that two girls had been conveyed to a similar

clinic in Asheville during the week-end.

Plans were also formulated for the conveyance of four Cherokee county children to a free clinic at Gastonia, Nov. 10.

Mr. Phillips complimented the Murphy club for the esteemed position it holds in the state organization and for their part in helping to publicize Western North Carolina through his publications and radio. He urged further efforts on the part of the club in this connection.

He was accompanied here by Walter Clark, president of the Asheville club, who also spoke briefly at the meeting.

The next meeting to be held by the local club will be an annual celebration of "ladies night". It will be observed Tuesday night, Nov. 10.

A committee of Mr. Elkins, Petrie and R. B. Wooten was appointed to handle arrangements for the occasion.

## VETERANS . . .

(Continued from front page)

occasion and join in the parade and the flagwaving which will be participated in by members of two ODD camps as well as the veterans.

Besides the parade which begins at 10 o'clock to honor members of the Legion and other veterans and their families, memorial services will be held at the Andrews cemetery at 11 o'clock and a picnic lunch will be served at the Andrews gymnasium at 1:30.

Arrangements remain tentative for the appearance of a state speaker at 1:30 o'clock who will address the group, and the Andrews high school football team will meet a foe yet unnamed on their field at 2:30 o'clock that afternoon.

Both round and square dances will be held at the Andrews gymnasium that night.

The general committee on arrangements for the occasion will be under the direction of Kimsey Wylie.

Ed Studstill, of the Joe Miller Elkins post of the American Legion at Murphy, expects about 100 per cent attendance from Murphy according to all indications.

Mr. Whitaker reports that very few veterans are expected to be absent from the biggest celebration ever planned in this section for the boys who fought overseas.

## BOY SCOUT NEWS

The Boy Scouts held their weekly meeting Tuesday 27, 1936 at the Methodist church at 7:00 o'clock. The Scouts gave their good deeds and practiced standing attention. Playing fox and dog was selected for their game at the school house.

## To The Voters Of Cherokee County, North Carolina.

As it will be impossible for me to see you in person between now and November 3rd, 1936, I take this method of thanking you for past favors and votes, and I hope you will go to the polls on November 3rd and again vote for me for the office of Register of Deeds for Cherokee County.

You know my physical condition and my past record as Register of Deeds, they speak for themselves, and I want to pledge you if elected to the office of Register of Deeds that I will give you every service and courtesy at my command.

Respectfully Yours,

B. L. Padgett
