An Unsolicited Letter In Behalf of the Candidacy of Winslow McIver for Clerk of the Superior Court

"I have known Winslow McIver for a number of years. He was a non-commissioned officer in Company "L", 117th Infantry, and there was no braver soldier and more efficient non-commissioned officer in the service. I had the honor of commanding this company on the Mexican border and in the world war over-seas. And this man, together with his brother, served throughout the world war as non-commissioned officers. In addition to being a splendid soldier and an efficient non-commissioned officer, I always found hm to be a gentleman in every respect and I know he is no exception to the rule that a good soldier always makes a good citizen.

"I am sure that any position that he might accept or any trust that may be imposed upon this man will be conscientiously and thoroughly carried out. In my opinion he is of the very salt of the earth.

"You can make no mistake in tying to this man".

D. W. LILLARD, Lawyer
Retired Major U. S. Army.
Etowah, Tenn.

I have the above letter in my possession and can vouch for its authenticity. It is one of the many testimonials urging Cherokee countians to elect Winslow McIver to the Clerk of Court's office in the general election on Tuesday, November 8.
