

International Scenes Depicted At Library

An unusual exhibit being conducted at the Murphy-Carnegie library is the International Relations bulletin board recently erected by the Junior Womens club.

Mrs. W. A. Hoover and a committee prepare illustrations of international affairs each week to be placed on the board. Their arrangement is unique and distinct which draws interesting observations of the international situation.

The exhibit can be seen during regular library hours.

Halloween Observed Here Monday Night

Halloween was observed here in active if not boisterous fashion last Monday night.

The younger people seemed to do all the fun-making on the eve of the All-Saints holiday. Outside of the usual soap marks, letting the air out of automobile tires and similar pranks little of harm appears to have been done compared with past similar occasions.

Leading the social activities of the evening was the Murphy High School junior class party held at the Murphy gymnasium which was attended by a large number of local persons.

A large number of private parties was held.

Miss Beatrice Howard who has been visiting in Atlanta two weeks has returned and has accepted a position with Southern Bell Telephone Co.

Peachtree Man Is Shot By His Brother-In-Law

(Continued from front page)

charging him with Spivey's murder was sworn out and he was placed in jail without bond pending the preliminary hearing which is expected to be held within the next few days.

Immediately following Lunsford's arrest, Sheriff L. L. Mason and Deputy Sheriff G. P. Robinson went to Lunsford's home to investigate the shooting.

According to information given out by officers, Lunsford shot Spivey his brother-in-law, following a quarrel after Spivey had allegedly pulled a knife on him.

The officers stated that Spivey and Lunsford had spent the afternoon together and returned to Lunsford's house where their wives were preparing supper. A quarrel is said to have ensued between Spivey and his wife, who was Lunsford's sister, and that the argument led to words between the two men.

The argument is reported to have taken place in the kitchen. Lunsford is said to have walked into an adjoining living room and that Spivey followed his wife out of another door that passed through a bedroom to the front porch, but that in some manner the two met in another bedroom where Lunsford kept a shot gun hanging on a rack on the wall.

After the shooting Spivey's body lay across a bed with a huge gun shot in the side. He is said to have died instantly.

Funeral services were conducted at Peachtree on Tuesday afternoon. Spivey is survived by his wife, four

BRING THIS COUPON

TO THE CITIZENS OF CHEROKEE COUNTY

I ASK THE MEN AND WOMEN OF CHEROKEE COUNTY TO GIVE ME THEIR SUPPORT AND VOTE FOR ME ON ELECTION DAY FOR THE OFFICE OF REPRESENTATIVE.

Throughout all the precincts of the county I have told the voters what I stand for in regard to county and state affairs.

I am wholeheartedly in favor of an old age pension for the citizens of Cherokee and will make every effort when elected to cooperate with the proper officials to see that a larger sum is provided for the deserving cases and that many deserving cases that are not now on the rolls are given a pension.

I am in favor of lowering the salaries of the county officers and the reduction of county expenses where ever that is possible in order to lower the tax rate of the county.

I am in favor of extending our good roads so as to take care of the portions of the county that are not now covered with the type of roads for all kinds of weather.

I am in favor of the continuation of the WPA until such time as all our citizens are able to secure private employment and I feel that our WPA workers should receive as much for their work as is paid in some of the neighboring states.

CLYDE H. JARRETT

TO CITIZENS AND VOTERS OF CHEROKEE COUNTY.

In my work for War veterans in this county it is without regard as to whether they are Democrats or Republicans and in giving my support Tuesday it certainly will be to the ones who have helped me in the Veterans work. One of our present officers who I would like to see go back in office is JOHN DONLEY, disregarding his political status, but because he has always helped without charge in every veteran case I have asked

FRANK W. SWAN.
