

IN THE GRADES

FIRST GRADE

We have just completed a study of leaves. We learned to identify twenty-five kinds of leaves. These were pressed and mounted.
The dentists visited us last week and put our teeth in good condition. We are learning how to take care of our teeth.

FIFTH GRADE

The fifth grade regrets very much that Arthur Barber is leaving us this week for their new home at Boger City at which place he will enter school. Our loss is their gain in a real student.

Mack Swain, a member of the fifth grade, has recently left Murphy for New York City. He will be the guest of Mr. Stanley and will attend school there. It is needless to say that we miss him but hope he is enjoying city life.

MRS. DAVIDSON 7th GRADE

Mrs. Lee gave a most interesting talk to our class on the "Phaethon de la Guerre", by Pierre Carrier—Bel-luce.
This is the largest painting in the world. It commemorates the World War Victory. Each of the Allies has a division with the leaders of the nation painted life-size.
The picture was seen twice by Mrs. Lee in Washington and at the World's Fair in Chicago.
We have a new member in our class, Wade Decker. Wayne Palmer has returned to school after having flu.

SEVENTH GRADE HEARS MUSICAL PROGRAM HERE

Music Appreciation Is Studied By Radio Channels

On Friday afternoon from one until two o'clock the children in Mrs. Davidson's and Mrs. Allen's seventh grade listened to the Walter Damrosch Music Hour, which was broadcast from Radio City. The program was divided into two parts. In the first half hour, or Series A, Mr. Danrosch told the children about the violin and viola members of the string family. He described the instruments as to appearance and tone quality, and illustrated the two ways in which they might be played. The following selections were played by the symphony orchestra:

"Finale from Serenade", Opus 48, by Tschaiakowsky.
"Air for the G String", by Bach, Wilhelm.
Pantomime from The Little Trifles, by Mozart.
"Finale from Concerto for violin and Viola", by Mozart
"Molly on the Shore", by Percy Granger.

The second half hour was a program of interpretative music, titled "Animals In Music". Selections played to suggest different animals were enjoyed immensely by the children. The following numbers were used:

"The Elephant", from The Carnival of the Animals, by Saint - Sains.
The Kangaroo", from the carnival of the animals, by Saint - Sains.
"The Cuckoo In The Woods", from The Carnival of the Animals, by Saint Sains.
"Dance Of The Mosquito", by Liadou.
"Looking Glass Insects", from Through The Looking Glass, by Deems Taylor.
Overture to a Midsummer Night's Dream, by Mendelssohn.
"Ride of the Valkyries", from The Valkyrie, by Wagner.
The children are looking forward to an hour of music appreciation over the radio once every two weeks.

World History Class Studying Feudalism

The World History class has been studying different aspects of Feudalism during the past week. Since the Feudalism Age is quite an important period in world history, more time has been devoted to it than has been devoted to many other periods. The students have studied the reasons for the rise of Feudalism in Europe, the character and main features of the Feudal System, as well as how the people lived during that age.

Next the class will review the struggle between church and state.

STUDY LETTER WRITING

The first section of the Freshman class is studying the two main types of letters; namely: friendly letters and business letters.

In studying friendly or social letters, the class decided that they should, first of all, be natural. The letter should be so natural that it is conversation on paper. Next, a friendly letter should be courteous, correct and clear.

Illustrating these points the class is writing samples of friendly letters; such as formal and informal, invitations, acceptances, refusals, "thank you notes," political letters, sympathy notes, apologies, and letters of directions. So many of these notes have to be written, but so few of us know how to write them.

McMinn County Team To Play Here Friday

The McMinn County Cherokees of Athens, Tenn. invade the lair of the Murphy Bulldogs Friday in what promises to be the best attraction of the year on the local field. This contest of the year will close the home season for Murphy as the Bulldogs take to the road to meet Franklin and Andrews after the Athens engagement.

Last year at Athens the Cherokees buried Murphy under an avalanche of touchdowns, winning by a 40-0 count. The forecast is that the Bulldogs have little chance for revenge in Fridays combat but hopes are high that there will be no repetition of last years score.

Rev. Barber Is Guest At School Chapel Hour

On Monday morning the high school student body assembled to hear a very interesting message from Mr. Barber, retiring pastor of the local Methodist Church. In losing Mr. Barber the high school is losing one of its best friends. In token of the esteem in which Mr. Barber is held, a gift was presented him by Miss Mary Frances Bell, representative of the Senior class.

BULLDOGS WIN FROM DUCKTOWN 20-0 THURSDAY

Locals Avenge For Scoreless Tie With Basin Team

Displaying a versatile winning attack the Murphy Bulldogs were able to capitalize on several "breaks" to overwhelm a game Ducktown eleven by the score of 20-0. Most of the "breaks" came to Murphy, but it was alert playing that paved the way for the score.

Murphy kicked off to Ducktown and on an exchange of punts, Arrant recovered a free ball behind the Ducktown goal line for the first touchdown. The second score was a safety when a Ducktown kick against the wind, bounced back across their own goal line.

In the third quarter, after pushing the ball near the goal, Palmer took a pass from May to cross the goal line untouched.

The final rally came in the last quarter when Arrant received a right end pass from May over the goal.

The backfield stars for Murphy were Tate and May; in the line, Palmer and Arrant.

For Ducktown the stars were Gee and Amburn.

The staring line-up follows:

Murphy	P os.	Ducktown
