The new cars in the Ford Quality Group for 1939 give you a broad choice. Whichever you choose, whatever you pay, you'll get top value for your money. That is true of the lowest priced car or the highest. All have one important thing in common—inherent quality.

Their quality comes from fine materials, precision workmanship, and from the fact that back of these cars is the only automobile plant

of its kind—where production processes are controlled from iron ore to finished car—and savings passed along as extra value.

Things are happening in the automotive world this year! Nowhere is the advance more marked than in the Ford Quality Group. See our dealers before you buy any car at any price.
