

Household Hints

Dipping fish in boiling water will aid scaling.

Moist table salt will remove egg tarnish from silver.

Small pieces of soap can be placed in a bag and used for washing clothing.

Heating thins molasses and makes it pour easier.

It makes a big difference if you serve hot foods on hot dishes and cold foods on chilled dishes.

YOU BUY INOCULATION ON FAITH

Field tests have shown a big difference in the quality of inoculator brands on the market. You cannot see the legume bacteria you purchase. Immediate demonstration is impossible. What is the reputation and experience behind the inoculation you buy?

- NITRAGIN is the ORIGINAL LEGUME INOCULATOR, having served the farmers for over forty years. It won a GOLD MEDAL at the World's Fair, St. Louis, 1904.
- NITRAGIN is made in the most complete and modern laboratory of its kind in the world.
- NITRAGIN is the leader in its field by a big margin. NITRAGIN demand in the South has rapidly increased year after year. During the fall of 1940 the Southern shipments of NITRAGIN were for more than 45 million pounds of VETCH and WINTER PEAS. This large demand is due to many field tests carried on year after year. We prove by these tests that NITRAGIN is a good product.

Send for our booklet "Plant Legumes to Prosper," showing pictures of field tests and how NITRAGIN is made. The booklet also gives you valuable information regarding the inoculation of legumes. If your dealer does not have NITRAGIN in stock, have him get it for you. Insist on NITRAGIN inoculation.

SANDWICHES THAT REALLY TEMPT (See Recipes Below)

BUFFET SUPPERS

If there's one season of the year when you like to feel really free from the heat of the kitchen, then summer's that season. You can do it easily, too, if you'll plan and prepare C-O-O-L meals in the early hours of the day before the heat becomes sweltering. Then stay strictly out of the kitchen until supper-time.

Make mealtime during these months as simple as possible. Not only will you be the more charming for doing less work, but your family will enjoy the simplicity as a change. One of the answers to this is buffet service. An attractively arranged table on the summer porch is a tonic for hazy summer appetites.

*Sandwich Loaf.

For Chicken Filling use:
1 cup ground, cooked chicken
½ cup ground almonds
2 to 4 tablespoons chopped celery
Salt to taste
Lemon juice to flavor
Salad dressing to moisten
Mix chicken, celery and almonds. Season with salt and lemon juice and add enough dressing to give spreading consistency.

For Egg Filling use:
4 hard cooked eggs
½ cup chopped cooked bacon or ½ cup stuffed olives, chopped
Salt to season
Few drops Worcestershire sauce
Salad dressing or cream to moisten.

Chop eggs, add bacon and Worcestershire sauce. Moisten with salad dressing to give spreading consistency.

Remove the crusts from an uncut loaf of day-old white sandwich bread. Slice lengthwise to make three or four slices about ¼ inch thick. It's a good idea to have the bottom slice thicker than the other three since it helps in placing the loaf when served. Spread slices, except top and bottom, with creamed butter, mayonnaise, then with different fillings. Use chicken filling between two slices; egg filling for the next and chopped vegetables moistened with mayonnaise for the third or tomato slices. Stack and cover top and sides with soft cream cheese piled like frosting. Garnish with thin radish slices and dust with chopped chives. Chill in the refrigerator several hours before serving. It's better not to use lettuce because it offers slicing difficulties after the loaf is served.

For the cream cheese frosting use ¼ to ½ pound of cream cheese. Add rich milk or cream to make a thick paste. Beat cheese and cream until evenly mixed and of good consistency for spreading. Spread over loaf to give a fluffy effect, as though you were swirling icing.

LYNN SAYS:

When you think the thermometer's going to burst, then think cool, eat cool, act cool, and you'll be cool. Drink plenty of water and cooling beverages.

Be gay and have your meals casually out on the shady porch on a bright table cloth. Serve things buffet style for it'll make it easier all the way around: less table setting, less dishes, and less to do.

No one may feel much like eating, and people, generally eat less during summer months, but they must still have the proper diet. So bring out your crisp garden salads, chilled main dishes, and assorted fruits. Be Cool!

THIS WEEK'S MENU

- *Sandwich Loaf
- *Tomato-Cheese Salad
- *Honey and Nut Bran Muffins
- *Spiced Rhubarb Jam
- Cool Beverage
- Chilled Assorted Fruit Plate
- *Recipe given.

*Tomato-Cheese Salad.

(Serves 8-10)

- 1 can (10½ ounces) condensed tomato soup
- 1 tablespoon butter
- 1 tablespoon grated onion
- 1½ tablespoons gelatine
- ¼ cup cold water
- 6 to 8 ounces cottage cheese
- ½ cup mayonnaise
- Salt to taste
- 1 cup chopped cucumber
- 1 cup chopped celery
- ½ cup sliced radishes
- ½ cup finely chopped onion
- Lettuce

Tart french dressing
Heat the tomato soup, butter and grated onion. Soften gelatine in cold water and add it to the hot tomato mixture. Add the cottage cheese and mayonnaise, stir the mixture thoroughly and salt it to taste. Let the mixture cool until it thickens slightly, then add the chopped vegetables. Pour into a large ring mold or individual molds and chill until firm. When ready to serve unmold on crisp lettuce. Use a tart french dressing with this salad.

Muffins that will bake in a few minutes will give your meal a tang and zest that will bring cheers from the family. These are so good you'll want them often for any meal of the day. If made in the smaller muffin tins, they'll make a grand addition when you have the ladies in for luncheon.

*Honey and Nut Bran Muffins.

- (Makes 16 large muffins)
- ½ cup honey
- 1 cup flour
- ¼ to ½ teaspoon soda
- ½ teaspoon salt
- 2 cups bran cereal
- 1 tablespoon melted butter
- 1½ cups milk
- ¾ cup walnuts, chopped fine

Sift together flour, soda, salt, and mix with bran cereal. Add other ingredients. Place in greased gem pans and bake in a quick oven (425 degrees) for 25-30 minutes.

A jam spicy and delicious to go with your muffins is this one which needs only a few minutes' cooking and is therefore guaranteed not to make your kitchen unbearably hot.

*Spiced Rhubarb Jam With Orange.

- (Makes 7 6-ounce glasses)
 - 3½ cups prepared fruit
 - 4 cups sugar
 - 1 box powdered fruit pectin
- To prepare fruit, trim and slice fine (do not peel) about 2 pounds of small red-stalked rhubarb. Add 1 cup of sugar, mix, let stand for 15 minutes. (This cup of sugar is added in addition to the ones specified above). Add 1 teaspoon each of cinnamon and cloves, and grated rind of 1 orange.

Measure prepared fruit into a 5- to 6-quart kettle filling up last cup or fraction of a cup with water if necessary. Place over the hottest fire, add fruit pectin, mix well, and continue stirring until mixture comes to a hard boil. To reduce foaming ¼ teaspoon butter may be added. Pour in the 4 cups of sugar, stirring, bring to a full rolling boil, and boil hard 1 minute.

Remove from fire, skim, pour quickly into glasses. Paraffin at once.

THE HOLY SPIRIT INSPIRES NEW TESTAMENT LETTERS

LESSON TEXT—Galatians 1:11, 12; I Thessalonians 2:13; II Timothy 3:14-17; II Peter 3:14-16; Jude 3.

GOLDEN TEXT—All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness.—II Timothy 3:16.

Letters are usually interesting, frequently very important, and always revealing as to the character and interests of the writer. That is generally true of ordinary daily mail, but how very true it is of the letters of Scripture, the epistles of Peter, Paul, Jude, and John. For in them "holy men of God spake as they were moved by the Holy Ghost" (II Pet. 1:21).

I. The Gospel (Gal. 1:11, 12; I Thess. 2:13).

The good news (for that is the meaning of "gospel") of salvation by grace through faith in Jesus Christ as Saviour has from the very beginning of its proclamation been subject to attack. Men are not content to receive God's way of salvation, but want to add something to it, adjust its requirements to meet new situations, to tinker and twist.

1. A Divine Revelation (Gal. 1: 11, 12).

Paul was not presenting something which he or some other man had "worked up," but a message that he had "prayed down." Paul was only delivering that which he had received from God (see I Cor. 15:1-4). This divine revelation has no human frailty and weakness, no human error, and no misleading philosophies. It does not need to be revised every year or two. It is God's eternal message of redemption.

2. A Message of Salvation (I Thess. 2:13).

It works in those who believe. Yes, it does—blessed be the name of God! God's Book says so, and the experience of hundreds of thousands of men and women over a period of almost 2,000 years agrees.

Note, however, that to work, the message must not only be "received," but also "accepted" as the Word of God. The message of the Bible may be received as a matter of fact, but for salvation it must be accepted and believed as a matter of faith.

II. The Bible (II Tim. 3:14-17; II Pet. 3:14-16).

Near the end of a life given in utter sacrifice to God's cause, Paul is ready to be used of the Holy Spirit to speak concerning the written Word.

1. It Is God-Inspired (II Tim. 3: 14-17).

Be sure to read this passage in the Authorized Version. The Revised has taken liberties with this verse which the finest scholarship does not countenance. It properly reads, "All scripture is given by inspiration of God, and is profitable for doctrine (teaching), for reproof, for correction, for instruction," etc. Other books may claim some kind or measure of human inspiration—this Book is inspired of God.

2. It Is Not to Be Wrested (II Pet. 3:14-16).

If permitted to do so, God's Word will bring peace of heart, make a man spotless and blameless (v. 14). But its salvation (v. 15) is not for those who ignorantly, or because of their ignorance, or because they are not steadfast in their lives, wrest its truth. Let us receive the Word with gladness, not twist it or distort its meaning to our own destruction.

III. The Faith (Jude 3).

1. It Was "Delivered Once for All."

It is a final revelation from God. There is no other gospel, and there never will be another. What assurance that gives us both in believing it and proclaiming it! But the world hates this gospel, and attacks on it are to be expected. Therefore

2. It Is to Be Earnestly Contended For.

No matter how peaceable we may be, how loving and tenderhearted, if and when attack is made upon the Lordship of Christ, when men make light of sin, and so seem to minimize the vital importance of holiness of life—then, however unpleasant contention and controversy may be to us, it is time we cast our self-regard aside and contend earnestly for the faith once for all delivered to the saints." (J. D. Jones).

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging headache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.

Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!
