When a Child Needs a Laxative!

SYRUP OF BLACK-DRAUGHT is a tasty liquid that most children will welcome whenever they need a laxative. What's more important, it has the same main ingredient as **BLACK-DRAUGHT**, its older companion. Perhaps that's why it usually gives a child such refreshing relief from the familiar symptoms which show a laxative is needed. Comes in two sizes: 25c—50c.

Chain Letter

Continued from Page One
names come to the attention of the Post Office Department requiring them to show cause why fraud orders should not be issued against them. Such orders forbid the delivery of any mail to the persons named therein.

In order that the attention of the public be called to the illegal character of the scheme, it is suggested that local newspapers be requested to give publicity to this notice.

Cheese Factory

(Continued From Front Page)
butter business usually increases.

Tuckwiller added that if cheese making becomes possible, shippers of cream need have no fear of curtailments, or of any cut in prices.

Mrs. J. A. Caldwell and Mr. J. W. Martin were elected as new directors to succeed Messrs. A. B. Hall and ay Mann, both of Warne, who retired after serving three years each.

Sabotage Charged

Continued from Page One
personal losses. One mechanic lost \$1,200 worth of tools, which he kept stored there. Another lost tools worth \$500, and third lost tools valued at \$250 and Bill Lucky, well known in Murphy lost \$50 worth of tools.

It was pointed out that it would have been comparatively simple for an enemy alien to have started the blaze. Save for a few scattered workers, the Warehouse vicinity was practically deserted on Sunday night. There were no special guards.

In this same connection it was pointed out that it would also be a simple matter for an enemy alien to do untold damage and perhaps destroy the Hiwassee Dam. There are no special guards there, either. The only protection is from small police force.

Immediately following the fire at Farnar, all cars approaching close to Hiwassee Dam were stopped, searched, and turned back unless the occupants could give satisfactory explanations of their missions. Since then however, this precaution has been abandoned. Strangers still are forbidden to get close to the Hiwassee Dam warehouse unless they have a legitimate reason, but any one can drive across the dam, at night, without the slightest interference.

It would be comparatively easy for an enemy alien to plant a time bomb. The fire at Farnar has brought an increased demand for organization of a home guard in this section, with a personnel of fanatics who would be able to "spot" and stop all strangers, and require them to explain their presence.

Orders Are Out

Continued from Page One
end.

"I have asked the Highway Commission to fix modified speed zones for military areas, congested traffic zones, hazardous curves, dangerous intersections. They will do this promptly and will place markers on the highways indicating the permissible speed limit at such places.

"Any person who drives beyond such indicated speed limits or who in other places exceeds the statutory speed limit should be arrested.

"I expect to back the Highway Patrol to the limit in the performance of this duty. This law applies to private citizens, officials, the rich and the poor, the high and the low.

"We do not want any foolish or vexatious administration of the laws, but we do want the public to know that the speed laws and other traffic regulations in North Carolina must be obeyed.

Sincerely yours,
"J. W. BROUGHTON,
Governor...

Flock of 24 Ga. Hens Lay 26 Eggs In One Day

If there were more hens like those owned by an Atlanta couple, a lot of us would go in the chicken business. The couple, Mr. and Mrs. Joe L. Wright, have 24 hens, and one day, last week, those birds produced 26 eggs. Also one of the eggs was extra large, and had a double yolk.

Mrs. Wright says the flock has been averaging 23 eggs a day for several weeks.

40,000 Killed Last Year In Traffic Accidents

The greatest accident toll in the history of the United States has just been announced by the National Safety Council.

Forty thousand persons met death on streets and highways last year. Fifty-five thousand more were permanently disabled, and 1,345,000 others were less seriously injured.

Of these totals, 24,000—more than half the fatalities—were killed at night.

It was estimated that injuries caused by night accidents, alone, cost more than 400 million man-hours in industry.

Sugar Scarcity Hurts Noble Industry Here

Rationing of sugar is threatening to ruin one of the leading industries of this section and nearby Georgia. Reference is made to the gentlemen who have been buying sugar by the ton and using it to make "pure corn, liquor.

At present they seem have only two courses open: 1. To go out of business. 2. To make corn liquor out of corn.

Brewers Act To Balk Honky Tonks At Camps

The beer industry has taken steps to prevent undesirable elements from establishing beer outlets in the vicinity of army camps in North Carolina.

The Distributors Committee has requested city and county officials in camp areas to scrutinize carefully "all applications for retail beer licenses to the end that the industry may be purged of illegal or undesirable outlets".

State 4th From Last In Census of Trucks

A large number of North Carolina truck and bus owners are reported still laggard in filing returns in the inventory conducted by the U. S. War Department.

Out of 138,000 trucks and busses registered in the State about 40,000 are unreported. This puts North Carolina, fourth from the bottom in returns made, with only Oklahoma, Texas and Florida trailing.

The survey was supposed to be completed January 31. New queries have been sent to the tardy ones, and if these fail to get results, personal contacts will be made.

The information sought is necessary for national defense.

State Will "Decorate" Most Valuable Youth In NYA Defense Work

Administration officials are making a state-wide survey to select the "NYA Youth Worker Most Valuable to War Production", among the 1,536 youths employed on NYA defense training projects in North Carolina.

State Administrator John A. Lang will select the winner and the state merit award recipient will be eligible for the national title.

General standards which will be considered are ability to operate specific machines aptitude for certain types of work as determined by tests, physical condition, and personal qualities such as promptness, interest, honesty, alertness, industry and ability to get along with fellow workers and supervisors.

Presentation of the State award, will be made Monday, March 2, at a ceremony in Durham, N. C., by National Administrator Aubrey Williams.

Six Vacancies Waiting For Class in Nursing

Six more volunteer students are being sought throughout the County by Mrs. Aline Richardson King Home Demonstration agent, to form a class for a course in home hygiene and care of the sick. The class will be instructed by Miss Pearl Weaver, R. N., of the County Health Department.

Ten students already have enrolled, but sixteen are necessary. Any one interested is requested to register at the Woman's Club not later than 10 o'clock Saturday morning. The course is for adults only.

HIWASSEE DAM

At long last, the heating system has been installed in the elementary school building. It was turned on for the first time Wednesday morning.

Recreational Manager Ralph Bice and Sergt. Wilks are conducting first aid classes for high school students.

Through sales of garden seeds and admissions paid to basketball games students have raised \$26 of the \$56 cost of the kitchen sink. Bass Carroll has conferred with some of the Hiwassee Dam residents regarding a box supper to raise the rest of the money. The date will be announced in next week's Scout. It is planned for girls to bring boxes which will be auctioned off to boys, the purchaser of each box getting the girl who brought it as his supper companion. A group of 25 soldiers from Company A, 60th Infantry, Fort Bragg, who once were on guard at the dam, will receive special invitations to attend.

The Valentine party given by the TVA was a huge success, and proceeds totaled about \$40. The money will go to the School Library, Bridge, Chinese Checkers, Monopoly and Rook were played, and fifteen prizes were awarded.

The PTA will sponsor a square dance in the Gym Saturday night, Feb. 21, with plenty of mountain music and cold soft drinks. Robert Vandivere is chairman of the Music Committee and Sam Voyles heads the refreshments committee. Admission will be 75 cents a couple, with unescorted ladies admitted free.

A recent count showed that Hiwassee Village now boasts 132 dwelling places. Thirty-eight of these are trailers, 30 are new pre-fabricated houses and 64 are permanent houses. There are in addition to the men's and women's dormitories.

The new Village bath-house has been completed, and is now in daily use by occupants of the pre-fabricated houses and the trailers.

Dormitories now house 70 TVA girls and men employed at Hiwassee Dam.

Mr. and Mrs. A. H. Valentine are the proud parents of a son, born Jan. 23, and named David Linwood.

Mr. and Mrs. R. H. Douglas announce the birth of a daughter on Feb. 10. They have named the future belle Julia Ann.

Lester McManus has replaced Bill Rogers as personnel manager. Mr. Rogers is now stationed at Fontana.

Dr. Derreberry is expecting transfer orders any day. He has no idea as to where he will be sent.

Mr. and Mrs. Bill Gilbert spent Monday visiting in Benton, Tenn.

Mr. and Mrs. Kennedy have been transferred here from Gilbertsville. Mr. Kennedy replaces Mr. Bell, who has been transferred to Watts Bar and probated to the post of Assistant Turbine operator.

Mr. Smith, formerly of Gunter'sville has come to Hiwassee Dam to replace George Claud, senior operator who has been transferred to Cherokee Dam.

Tommy Donaldson, of Wheeler, has been transferred here to replace Jack Webb as turbine operator. Webb has been shifted to Cherokee Dam.

Mr. and Mrs. Paul Coleman spent the week end in Chattanooga, where Mr. Coleman underwent a sinus treatment.

Mr. and Mrs. Adam Grant have purchased a trailer and are now living at the Dam.

Theodore Gschwind, who was near death from pneumonia, has entirely recovered, and is back in school.

Donald Smith is recovering from an attack of chicken pox.

938 In County Signed In New Draft Register

A total of 983 men registered in the draft throughout the County last Monday. None have been assigned numbers, and probably will not be for at least 30 days. No classifications will be made until then.

A total of 2,123 from Cherokee County registered in the first draft, and there are some 1,200 of these who have not been called.

It is believed that calls to service will be made according to classification, regardless of when men were registered.

A striking trend toward more poultry in the Mississippi Delta has become pronounced as farmers have reduced their once huge cotton acreage.

92 Years Old Resident Holds Up Chatuge Dam 20 Days, Till He Moves

Ninety-two year old J. H. Penland of Clay County, is not only one of the oldest residents of this section but is the only man who ever, single-handed, stopped the operation of a Government project.

The gates of the Chatuge dam, scheduled to be close on Jan. 2, '24, remain idle until Feb. 12 because Mr. Penland was ill, and closing the gates would have flooded the area where he lived.

Not one drop of water was allowed to flow into the reservoir until the aged gentleman had recovered sufficiently to allow his being moved. An Ivie Funeral home ambulance finally took him to the home of a son, about half a mile distant from the house.

The gates were lowered as soon as word came that he had "re-settled." Mr. Penland's old home was built 95 years ago by his father-in-law, the late James Nelson. Forty-five years ago, Mr. Penland bought out the other heirs.

MARBLE NEWS

The Marble P. T. A. met Friday, Feb. 13th, in the School auditorium with Mrs. P. A. Arrowood, president, in charge and Mr. Walsh led the devotional.

Business was discussed and then an interesting Founders' Day program was given by members of the club. Miss Elizabeth Kilpatrick's second grade room won the banner for the most parents present.

The following members attended: Mr. and Mrs. Frank Walsh, Mrs. Henry Axley, Mrs. L. B. Womack, Miss Hazel Chambers, Elizabeth Kilpatrick, Mrs. Ocia Foster, Mrs. P. A. Arrowood, Mrs. Harry Ingram, Mrs. W. M. Lovingood, Mrs. Raleigh Trull, Mrs. Rupert Trull, Mrs. Jim Hensley, Mr. Frank Kilpatrick and Frank L. Johnson.

The many friends of Mrs. Cora Bryson will regret to learn she is ill with flu at her home here.

The Home Demonstration Club will meet Monday afternoon, Feb. 23rd, at the home of Mrs. James Bryson at one o'clock.

Mr. and Mrs. H. L. Murray, and family, moved to Morristown, Tenn., Sunday.

ClineWest, who is with the U. S. Marines and has been in Iceland for several months, is home visiting his parents, Mr. and Mrs. Bruce West, and other relatives.

With regard to one's work the desirable feeling is always to expect to succeed and never to think you have succeeded.—Thomas Arnold.
