Possibly none of the words of Christ are more often quoted than these, "And ye shall know the Truth, and the Truth shall make you free" (John 8:32). They lend their beauty to many a political speech and many an educational lecture. They gleam like brilliant gems amid the rubbish of many a sterile sermon. They are engraved on the walls of university libraries and carved over the doors of college chapels.

In one sense there is freedom in all truth. However, truth is arrived at by two different ways. Some learn by revelation. The scientist and researcher, may discover truth in the realm of science. The biologist, the botanist, or the chemist may discover truths of natural law and use those truths to free man from the scourge of disease. The archaeologist may uncover truths from buried civilization and free men from false ideas about nations long since vanished. By the trial and error method, many may attain to truth, and truth brings freedom from error.

Spiritual truth, however, comes by revelation from God Himself. God who in Himself is the embodiment of all truth, reveals Himself to man in the person of the Lord Jesus Christ His Son. The truth of man's lost condition, the truth of the life hereafter, the truth of the person and love of God is revealed in the Bible, the Word of God. Truth which man discovers for himself frees him from error, but only the truth which God reveals frees man from sin and its power and its penalty. The mind of man by searching cannot discover God, and only God in the person of the Lord Jesus Christ is able to strike off the shackles of habit and sin and weakness which bind man body and soul. This eternal freedom which evades human discovery but comes as the gift of divine revelation is found in the Lord Jesus Christ. He who said, "And ye shall know the Truth, and the Truth shall make you free", said of Himself, "I am the Truth"; and only God's Son frees man from self, from his own sinful passions and tendencies, and from the condemnation of his sin.

Wonderful words, these, "the Truth shall make you free," but

completely realized only in Christ, the Incarnate Truth. "If the Son therefore shall make you free, ye shall be free indeed" (John 8:36).

Cuts Down Accidents**

The law requiring that advertising billboards be placed not less than 50 feet from the center line is already paying dividends in human lives.

Records show that though national auto accident fatalities increased in December and January over the same months a year ago, that accidents in the rural areas of North Carolina where signs are being removed decreased for December, January, February and March.

Accidents in areas where signs have not been removed, increased in December and January and remained the same in February.

Removal of highway signs started on November 1, 1941, and so far some 60,000 signs have been moved.
