BANKS And The WAR

The Home Front

Modern wars are fought on many fronts, and one of them is right at home. Life must go on. People must live, eat, have shelter and clothing, and carry on in many ways as they did before the war.

The regular services offered by banks to provide safety for money, expedite payments, facilitate thrift and so on are still as important as ever. We continue to offer them, even though the stress is now on the special wartime services. You are invited to use this bank.
