Major O. Ellis Everette, of Tampa, Fla., recently commissioned commanding officer of a Battalion and Regimental Executive officer of 504 Signal Aircraft Warning Regt., at Plantfield, Tampa, Fla., is the son of Mr. and Mrs. W. C. Everette, of Andrews.

Major Everette enlisted as a private in the Signal Corps, United States Army, August 29, 1920, and served at Ft. Thomas, Ky., Camp Grant, Ill., with the 6th Div. Ft. Monmouth, N. J., where he studied radio operation, maintenance and construction. Served as radio operator at Ft. Benj. Harrison, Ind., and Ft. Hayes, Columbus, Ohio, and received his discharge at Ft. Hayes August 30, 1923.

He then worked for a year and a half with Columbus Railway, Power and Light company at which time he started attending night school to make up his high school work. This, and his pre-law work were made up at night school while working in daytime at different jobs, and in 1927 he registered with the Supreme Court of Ohio to study law. This was done at the Columbus College of Law for four years, and in 1930 received his LL.B. degree and was admitted to the bar of Ohio the same year. Prior to this in 1927 he was appointed assistant supreme court law librarian of Ohio and served in that capacity until admitted to the bar of Ohio.

In 1928 Major Everette took examination for a commission in the Organized Reserves Signal Corps, receiving commission in June, 1928. He practiced law until 1933, when called into the CCC company as first lieutenant and was ordered from Fort Knox, Ky., to March Field, Cal., where the CCC was actively engaged in building roads, fire-brakes, fire fighting and soil conservation in the mountains of California.

Later he was in business and construction work building dams in Arizona and California as diamond driller and foreman. At this time he served as chairman of Appeal Tribunal of the Arizona Unemployment Compensation Commission.

Major Everette decided to practice law again, so was admitted to the bar of Arizona with third highest grade. He practiced law in the office of Judge Frazier, Phoenix, Arizona, until 1939, at which time he decided to establish his own offices under the firm name of Everette and Chester (Wm. H.) at 412 Phoenix National Bank Bldg., Phoenix, Ariz., and practiced until May 1, 1941, when called to duty with U. S. Army as captain, Signal Corps, Ft. Sam Houston, Texas.

He spent the summer in Louisiana field with the 3rd Army as assistant Signal officer and charged with the operation of the 3rd Army Message Center, clearing all messages from and to 3rd Army headquarters; also commanding Hq. Company of the 52nd Signal Battalion. After returning in October to Ft. Sam Houston, Texas, from maneuvers.

The regiment was brought to Plant Field, Tampa, Florida, in June 1942, from California, and he received his promotion as Major Signal Corps in August, 1942.

Major Everette is a member of bars of Ohio and Arizona. He has a desire to be admitted to the bar of the state of his birth and childhood—North Carolina. He was born and reared in Andrews and attended the Andrews school prior to enlisting in the Signal Corps, U. S. Army, in 1920.
