How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like aches and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "times" to come. Started 2 days before "your time", it should help relieve pain due to purely functional periodic causes. Try it!

IN MEMORY
 Of Our Son and Brother,
 Hayden J. McClure
 Hayden, you were taken so suddenly. Why, we don't know. Our hearts are troubled. For we loved you so.

No one knows the heart aches, And tears we shed all alone, No one knows how sad we feel, for Hayden, we miss you so.

Hayden, the month of February 27th, one year ago, is here again. The last day here for you. To me the saddest of the year. A bitter grief, a shock severe. To part from one we loved so dear Mr. and Mrs. J. H. McClure and family
