LADY WITH A GOOD IDEA

... SHE'S PLANNING AHEAD

EASTER IS APRIL 21

She remembers the way things were last spring, just ahead of Easter, when cleaners were swamped and unable to give quick service.

She's looking ahead on dry cleaning. It's a good thing she's doing it, too, for garments already are pouring in and extra, experienced help is hard to get.

But we're determined to give you the best possible dry cleaning and we'll do it if you will allow us plenty of time.
