Murphy Tops Bryson City 19-0

By WALTER CARRINGER

Under beautiful October skies the Murphy Bulldogs ran rough shod over the Bryson City eleven here last Friday. Coach Smith's reorganized and rejuvenated team took the lead at the opening kick off and had their own way 'till the closing whistle. Not once did the visitors seriously threaten to score. Every man on the team got a chance to play, and the fellows you usually see on the side line proved they had the stuff it takes to make a good ball player.

Bryson kicked off to Murphy and after an uneventful first period, the quarter ended with Bryson in possession of the ball on their own 20. The Big Dogs held the visitors and they had to kick from about their own goal. The kick was bad, and Brendle took it on Bryson's 30. Proving his ability as a real scat-back, Brendle shook loose from two would be tacklers and scampered down the side line to score standing up. Green passed to Alexander for the extra point. Murphy kicked to Bryson and after an exchange of plays the bulldogs drove the ball down to the Bryson 35. Davidson faked a lateral to Green, and skirting left end, ran through the whole opposing team to score the second tally. The try for extra point was short and the half ended with the Bulldogs ahead 13-0.

Murphy kicked to Bryson to open the second half, and the Bryson back made a brilliant run to the Bulldogs 45. Millsaps made the tackle stopping a sure touchdown run. Picklesimer intercepted a Bryson pass on the Bulldogs 30. Davidson and Green drove the ball down to the Bryson 5, where Green shot a pass to McDonald in the end zone for the third score. Try for extra point failed and score stood 19 to 0. Third quarter ended with Murphy on visitors 40 yard line.

At beginning of last quarter Murphy drove to Bryson's 30 where the visitors took over on downs. Here they put on their major threat of the afternoon driving down to the Bulldog 25. Anxious to score they began passing and one pass was intercepted by Brendle. Murphy held the ball until the end of the game.

The line up was as follows: Right end, Hughes, right tackle, Rowland, right guard, Warner, center, Picklesimer, left guard, Millsaps, left tackle, Johnson, left end, Brendle, full back, Davidson, right half, Lovingood, quarter back, Green. Substitutions: Anderson, Keener, R. Lovingood, McDonald, Fricks, Harden, Hendricks, Howell, Dockery, Dalrymple, Maxey, Myers, Arrowood, Stalcup, Clark, Hampton, and Hall.

Warner at right guard and Picklesimer at center turned in top performances in the line. Johnson, who plays left end on defense and left tackle on offense, has greatly improved with experience and played an excellent game as did Hughes at right end, who has been shifted from the back field to fill that position.

The Bulldog fans want to congratulate Coach Smith on his improved team. By getting some of the best players off the bench he now has what looks to me like a "dream team" in high school circles. The

team's blocking, passing, tackling and pass defense were all greatly improved; in fact, they seem improved in every department, even to the section. Panthers — look out. Murphy's next home game will be with Waynesville on Nov. 1st. On 18th of October the bulldogs go to Hayesville. Oct. 25th go to Andrews.
