Freak Accident Puts Hapeville Lady In Hospital

Mrs. J. T. Coggin of Hapeville, Ga., is in Murphy General hospital suffering from gunshot wounds received Saturday morning near Hiawasse, Ga., under peculiar circumstances.

Mr. and Mrs. Coggin had gone to Hiawasse to fish in the lake and while Mrs. Coggin was walking along the lakeside, she was struck by a bullet or bullets which went through her right hand, then the left arm and into the right side lodging above the heart. Mr. Coggin was nearby, and neither he nor Mrs. Coggin heard the shot, but she fell to the ground unconscious when struck. Mrs. Coggin called a doctor from Hiawasse who gave first aid and rushed her here to the hospital, where she is reported to be doing well.

The game warden at Hiawasse called the sheriff, and they made an investigation and found three men in the woods near by shooting at a target and they surmise that it was a stray bullet or bullets from their rifles that struck Mrs. Coggin.

Bulldogs To Play Franklin On Friday

By WALTER CARRINGER

The Murphy Bulldogs invaded the Sylva gridiron last Friday night and proceeded to run over their host to the tune of 25 to 7. The Bulldogs dominated the play from the opening whistle to the final play except for the lone touchdown made by Sylva in the last few minutes of play. A Sylva hack was almost loose for a score when he took a Murphy kick deep in his own territory, faked the ball to a team mate and then hid it on his side. He got to the Bulldog 35 before he was brought down by Johnson.

"Bull" Davidson played one of the best games of his football career, and incidentally of the year, for the Bulldogs. "Bull" carried the ball 14 times for a total of 131 yards; one was for a 60 yard touchdown jaunt. Picklesimer, who captains the Bulldogs, also turned in a top notch performance. "Pickle" carried 4 times for a total of 49 yards. We don't know whether any college coaches read this paper or not, but if they do it would certainly pay them to come out and look these two boys over. "Bull" is big, but he's fast, too, as he proved last night by completely out running the Sylva secondary. We haven't seen his equal in this part of the state.

Here's some more individual yardage for the Bulldogs: Davidson, 14 times carrying for 131 yards; Picklesimer, 4 for 49; Green, 5 for 52; Brendle, 3 for 19; Alexander, 1 for 1; Rogers, 2 for 7. We took some more statistics of the game. It was impossible to get them all exactly accurate, but here they are: first down, M-11, S-6; passes attempted, M-5, S-15; passes completed, M-3, S-5; number punts, M-4, S-6; average yards on punts, M-29, S-26; yards rushing, M-256, S-12; yards passing, M-50, S-58.

Alexander scored first for the Bulldogs on a reverse. Davidson made the second tally on reverse end run for 60 yards. These were in the first quarter. In the second quarter, Picklesimer shot a pass to McDonald who scored the third touchdown. Green passed to Alexander for the extra point. In the third period Green passed to Picklesimer, who took it on the Sylva 20 and scored the final touchdown for the Bulldogs. Sylva's tally came late in the fourth period on a pass. The extra point was good and the game ended 25 to 7.

The Bulldogs "entertain" Franklin Friday, November 15, on the home field. This has all the makings of a real ball game as the Bulldogs are out to erase their defeat at the hands of the Panthers earlier in the season.

Farmers Home Administration Starts Operation

The Farmers Home administration, as authorized by the Congress, began operation in North Carolina November 1, says Ernest F. Arnold, FSA supervisor for Cherokee and Clay counties, who recently attended a meeting at Asheville of personnel who will direct the affairs of the new agency.

FHA replaces both the Farm Security administration and the Emergency Crop and Feed Loan section of Farm Credit administration, and takes over the personnel and assets of both agencies. Mr. Arnold said that for the time being FHA offices will be maintained with the same personnel at all points where FSA and ECFL have operated. Both agencies have made loans to small farmers and the new agency will continue to serve this group.

Also attending the meeting at Asheville was Mrs. Margaret J. Carringer, FSA home supervisor. Discussions were led by J. B. Slack, Vance E. Swift, Mrs. Margaret F. Fuller and Paul Laughrinn.

Guernsey Breeders Form Organization

On Thursday evening sixteen breeders of purebred Guernsey cattle met in the county agent's office and organized the Cherokee County Guernsey Breeders association. The purpose of this association is:

1. To promote the breeding and improvement of purebred Guernsey cattle, and to sponsor educational programs pertaining thereto.
2. To aid its members in selecting, breeding and selling animals.
3. To foster the dairy industry in general.

F. N. Farnham, extension dairy specialist for Western North Carolina, was present and helped organize the association. The following officers were elected: Franklin Smith, president; H. N. Wells, vice-president, and A. Q. Ketner, secretary-treasurer. Clarence Hendrix, Randolph Shields, Ben Warner, and Harold Hall were elected to the board of directors.

The organization of this association is one of the many progressive steps taken by Cherokee County farmers, say the officers. A recent survey shows that there are over 240 head of registered Guernsey cattle in the county. An active Breeders Association should greatly increase this number in the next few years, they say. One of the most encouraging features of the meeting was the fact that six 4-H Club members became charter members of the association.

Membership is open to persons who own or manage herds of purebred Guernsey cattle and reside in Cherokee county, provided they are acceptable to one or more of the Board of Directors. An annual membership fee of \$1 per person is to be charged.

Honorary members may be admitted to the Association if approved by the Board of Directors and upon payment of their membership fee. They will have no vote in the affairs of the association. Charter members include: H. N. Wells, Harold Wells, Ben E. Warner, Ralph Warner, J. B. Hall, Jr., A. Q. Ketner, Harold Hall, Randolph Shields, Mrs. John Shields, Clarence Hendrix, Mildred Hendrix, David Hendrix, Edwin Hendrix, Dick Ketner, James Smith, and J. Franklin Smith.

Breeders who were not present at the organizational meeting are urged to join the Association as soon as possible.
