*"Howdy Neighbor!"*

That's just how we feel about the 6 million folks who call on us every day! That's how we'd like them to feel about us, too. And most of them do — simply because A&P has always been known as the friendly, "neighborly" place to shop. That "warm" feeling by our customers has been going on for a long time now. And in that spirit we think of you and are doing our best to see that A&P is all that you expect it to be. If it isn't, tell us. Incidentally, if your A&P store manager does call you "neighbor," rather than by name, we think you'll know why.
