SHELTERED BUT NOT PROTECTED

It's a grand feeling to know that you have provided a home for your family. But just providing a home for them today, doesn't mean you have given them the vital protection they will surely need tomorrow. Every father should see that his family not only has shelter now, but real protection for the future.

New Formula Quickly Builds Resistance Against Ills Striking In Cold Weather

You can say "Goodbye" to colds, nagging aches and pains and other distress this winter, when you are fortified with plenty of Iron, B-1, B-2, B-6 and Niacin. Recommended by many doctors, these ingredients are contained in New HI-VITA Tonic, the medically proven formula everyone in Murphy is talking about.

A well known North Carolina Minister has related his happy experience with New HI-VITA Tonic. He said that aches and pains in his arms and shoulders and a cramping in the lower part of his back made him feel so bad that his work among his congregation came to be a heavy burden. He said that

he would frequently have to get up in the night and take walks about his yard to be able to endure his terrible suffering. He said he tried about everything "under the sun" before he finally found the relief he had long sought in HI-VITA, which gave him relief and new strength. Today this kind minister enjoys life again. He works and sleeps in peace. His system is strengthened and soothed. He is grateful to HI-VITA for what it did for him.

THE LONE RANGER

By Fran Striker

Comic strip panels 1-4: Someone fired from ambush and knocked me out of the saddle... Dan's horse came here with all my gear except the elephant gun... I'd like to know why that alone was stolen... When Chief White Eagle is killed with this gun, everyone'll blame the stranger, we'll be in the clear.

Comic strip panels 5-8: Ringer, if that critter named Smith has an alibi for the time White Eagle is killed, our plan'll fall flat... Despite the chief's being killed with Smith's gun... Smith, we'll go to where I was ambushed and try to follow the trail of the man who stole your gun... I say, Tonto, thanks for the loan of your horse. We'll watch things in camp.

Comic strip panels 9-12: The shot that hit me came from over there... There are the tracks of the ambushers... What d'ya see, Ringer? My plan is working to perfection! The masked man and Smith are following our tracks.

Comic strip panels 13-16: Now we know Smith will be near the scene when his elephant gun is used to kill Chief White Eagle... Well, ride to the Indian village and lie in wait... If the trail continues as clear as this, we'll have no trouble running down the crooks.

Comic strip panels 17-20: Yes, Smith, it's almost too easy to follow... I keep wondering if the men who stole your elephant gun made it this way on purpose... The tracks are still plenty clear, Ringer... Good! White Eagle's village is beyond this. We'll get close, then wait until the masked man and Smith come near.

Comic strip panels 21-24: I hear hoofbeats! That masked man and Smith are gettin' close! Then here goes with the elephant gun! Whew! That gun sure has a kick! That sounded like artillery! It was my elephant gun!
