CUSTOMER'S CORNER

"Isn't Nature Wonderful?"

It's especially wonderful at the beginning of Spring. But it's human nature that we're most interested in.

It's human nature for you, our customers, to want the best possible value for your money. It's human nature for you to want convenience and ease in shopping and cooking.

We assure you, A&P is doing its best to give you these things. We always will. That's our nature. Being modest, we don't think that's wonderful — but we think you are.

One Close Shave Begets Another

Pvt. Jeral Ines, Granite Falls, Minn., was lucky to escape with his life when a mortar shell exploded near him on the Korean front. He suffered a leg wound and had 18 blood transfusions. Here, in a hospital in Japan, he gets another close shave—this time from a Japanese barber. At the same time a Red Cross volunteer takes down a letter as Ines dictates.

Men In Service

By Zora R. Bryson

Three Andrews veterans of the Korean War have arrived home, following from 10 to 12 months of service in the Korean Battle area.

The soldiers are Cpl Gene Webb, Pfc. Edward Trantham and Pfc. Keith Wilson. The boys were all educated in

the Andrews schools. They were in the same outfit overseas, the 19th Regiment, 24th Division of Riflemen.

The three soldiers will spend a 30 day furlough at home before reporting to Fort Jackson, S. C., for reassignment.

New Forestry Film Released

A new forestry educational motion picture, designed to assist the South's small woodland owners, has recently been released.

Produced in natural color with sound, the motion picture is entitled "When A Fellow Needs A Forester." It was produced cooperatively by Southern Pulpwood Conservation Association and a group of southern state forestry departments.

H. J. Malsberger, association general manager, said the film will be loaned for showing by farm organizations, schools, civic and service clubs, chambers of commerce, 4-H clubs, FFA chapters and teachers of agriculture.

"This film clearly shows landowners when it is to their best interest to seek the services of a trained forester," Mr. Malsberger explained.

Groups wishing to obtain a print of the film on loan should contact the state forester or the

SEE THE JOURNEY OF THE ROUND WORM IN HOGS

We now have an amazing electric display that shows how worms rob hogs of health... how worms cause damage in hogs... and how you can stop these costly parasites from robbing you of profits. This display, presented to us by the makers of Dr. LeCoeur's Hog Worm Powder is of educational value to every hog raiser in this area. Don't miss it!
