Andrews Rotary Wins Annual Cup

The Andrews Rotary Club was awarded the annual attendance cup at the 280th District Convention held at Shelby last week.

District Governor Malcolm Williamson of Waynesville presented the hard-earned trophy to Wayne Battle, president of the Andrews Rotary, and to Gordon Butler, also a representative from the Andrews club.

The Andrews Rotary had competed with 35 other clubs in the district, many of them much larger clubs and in locations that facilitate attendance.

The trophy is presented by the Marion Rotary Club and is kept by the winner for a period of one year. The Andrews Rotary Club hopes to keep it for a longer time by winning again next year.

The Andrews yearly attendance was 99.6 per cent.

Band In Andrews Assured By C Of C

At an important general membership meeting of the Andrews Chamber of Commerce Monday evening, the possibility of a High School band becoming an imminent reality instead of a remote dream.

The Chamber of Commerce approved a motion to sponsor an Andrews High School Band as their chief annual project for 1952.

In a matter of minutes, a trumpet had been donated by Robert Heaton, a cornet was given by L. B. Womack, and 14 other persons had pledged a total of \$2,945. This seemed a logical index that little difficulty would be encountered.

The meeting was presided over in reaching the goal of \$5,000 by Tom C. Day, president. An open discussion was held concerning the band project and several interested persons offered suggestions and opinions.

The Chamber of Commerce Band Committee was authorized to appoint a committee from the various civic organizations to serve with the Chamber of Commerce Committee as a Fund Raising Committee, and this Committee was authorized to make a preliminary survey report on Thursday, May 1, at the regular meeting of the C of C Executive Committee.

Ty Burnett was elected treasurer of the C of C filling the vacancy due to the resignation of Mrs. Ben Ray.

Approximately 30 persons attended the meeting.
