## **Stones Are Guests** Of Edwin Bristols

Mr. and Mrs. Jimmy Stone of Oak Ridge, Tenn. and their two daughters visited Mr. and Mrs. May Come-Greeting Edwin Bristol and family last week.

Mr. Stone formerly lived Andrews and attended the Andrews school, where his father was superintendent.

Of interest to his friends in Andrews is his success in the field of science. Mr. Stone has recently completed the second of a new type of computer that is a highly technical machine for computing mathematical problems.

There are only a few of these machines in the United States

Mr. Stone made a report on the machine to the American Scientific Society and has recently completed a book on its workings and

# KEEP COSTS DOWN, PERFORMANCE UP, WITH A DODGE!

"On a 200-mile run I save 11/2 to 2 gallons of gas. I get this saving seven days a week, and on my two trucks that means I save over \$300.00 a year on gas alone. That's good, because each of my trucks makes an average of 50 stops per day hauling mail. "My first Dodge truck cost me only

\$54.00 of repair expense in two years. I ran my second Dodge over 103,000 miles in two years and spent only \$15.50 on it for repairs.

"If I'd known what I know now about Dodge trucks, I'd have switched to them long ago and saved myself a lot of money." Haul at lower cost with a Dodge truck that's "Job-Rated" to fit your job-1/2- through 4-ton.

like high-compression ratio and special gas-saving carburetor. Reduce upkeep with such wear-saving features as floating oil intake

and positive-pressure lubrication.

Boost gasoline mileage with features

Enjoy smooth performance with gýrol Fluid Drive, wear-protecting advantage available on all ½-, ¾-, 1-ton and Route-Van models.

Come in today for a demonstration and a good deal!

Save on gas and oil. All 8 Dodge truck engines give exceptional economy with plenty of power. You get such advantages as lightweight aluminum pistons, improved fuel system with economy control, precision-balanced crankshaft, and other money-saving features

Save with longlife. Because Dodge trucks last so long, depreciation is less and trade-in value stays up. Long life and dependability are the result of such features as alloy steel springs, shot-peened axle shafts, extra-sturdy frames, and Oriflow shock absorbers in low-tonnage models.
