

Only 502 X-Rays Taken In Andrews

Five hundred and two free chest X-ray pictures were taken at the mobile X-ray unit in Andrews through Saturday, August 9. Flay W. Sellers, health educator, says "This total falls short of expectation as local citizens 15 years of age and older fail to take advantage of a program they have made possible."

X-ray officials urge all ministers, Sunday School superintendents, organizational presidents, and others to announce again this important program to arouse interest and response. They also urge people failing to get their free X-ray picture in Andrews to take advantage of this opportunity at the mobile unit remaining in Murphy from now until September 3. This unit will be working each day Tuesday through Saturday from 10 a. m. to 4 p. m.

Everyone getting their x-ray picture can expect a written report within two and one-half weeks. All film will be shipped to Raleigh to be developed and interpreted. Reports will be sent to your health department which processes the information and sends it to local citizens.

Rules Regarding Swine Released

Commissioner of Agriculture, L. Y. Ballentine recently released regulations regarding importation and movement of swine into and within the state.

A permit must be obtained to import swine for slaughter at a recognized slaughtering establishment. The swine must not be infected with Vesicular Exanthema. Feeder pigs may be imported upon obtaining a permit, provided they originate direct from farms and in states free from Vesicular Exanthema and have met other health requirements.

No hogs fed on raw garbage shall be moved into or within the state except for immediate slaughter direct to an approved slaughtering establishment and subject to ante mortem and post mortem inspection.

The swine must be assembled in clean and disinfected yards and transported in vehicles or railroad cars cleaned and disinfected under supervision of Federal or State regulatory officials.

All swine imported into the state in violation of regulations shall be held in quarantine at the owner's expense until released in writing by the State Veterinarian.

Marine Corps Recruit Depot.

During the past eight weeks of intensive training and as a result of field experience and classroom lectures, the new Marine has become well versed in such military subjects as precision drill, first aid, hygiene, and field tactics.

He climaxed his recruit training by winning the marksman's medal on the rifle range when he fired a score of 196 out of a possible 250 during his weapon training.

In addition to firing the famed Garand rifle for qualification, he fired other infantry weapons such as the .45 calibre pistol, carbine, and Browning Automatic rifle. He also witnessed demonstration firing of the machine gun, mortar and flame thrower.

Before entering the Marines, he was a student. He attended Victoria School, Gastonia, N. C. from which he was graduated.

To Conduct Final Episcopal Bible School Services

Final services for the Episcopal Bible School that has been conducted in Andrews for the past two weeks will be held at the Episcopal Chapel, Friday at 7:30 p. m.

There will be a display of the handwork of the children. The Rev. Rhett Winters and student minister, Douglas Pitt, will be in charge of the final exercises.

The Bible School had an enrollment of 34 children. Mr. and Mrs. Winters and Mr. Pitt conducted the school. Miss Judy Bristol was organist. Mrs. R. A. Dewar was in charge of refreshments and other arrangements.

On Monday afternoon, members of the Bible School and their parents were picnic guests of Mrs. R. A. Dewar at her home.
