

Bloodmobile To Be In Andrews Monday

The Junior Woman's Club is sponsoring the October visit of the Bloodmobile to Andrews.

Andrews in the past has chalked up an enviable record in the amount of blood given to the Bloodmobile, says Gordon Butler, Andrews Chairman. However, during the more recent visits the donations have been disappointing. The story of the need for blood may become old and seem rather commonplace, but for the persons needing blood today, donations

given last year can offer poor hope, says Mr. Butler.

The Andrews hospital finds the blood program vital in supplying its need. A special urgency is noted in asking that all who can respond to the Bloodmobile call

Blood will be taken at Andrews City Hall, Monday, October 6.

The greatest firmness is the greatest mercy.

Andrews Wildcats Drop Game, 9-0 To Hayesville

The Andrews Wildcats football team dropped a 9-0 game on the Andrews field Friday night to a battling Hayesville eleven.

Starring for the winners was Jimmy Padgett, versatile quarterback who not only provided most of his team's offensive punch but also was strong on defense. Earl Dietz, end, and McClure, guard, also were outstanding for Hayesville.

The initial score came late in the first quarter when a Hayesville fumble on the Andrews 2 yard line gave the ball to Andrews. In an attempt to run the ball out of the end zone, Leroy Gilbert was trapped behind the goal line by Hayesville's Jimmy Padgett for a safety.

Neither team was able to score during the next two periods, which were played largely in the center of the field with neither team showing much superiority.

However in the final period, Hayesville drove to the Andrews 5 where the Wildcats held on downs.

An Andrews kick gave the ball back to the Hayesville team on the Andrews 30. A 19 yard end run two plays later, by Jimmy Padgett, carried over for the touchdown. The extra point was made on a pass from Padgett to McBrayer. The final score, Andrews 0, Hayesville 9.

The Wildcats travel to Cherokee on Tuesday where they will engage the Cherokee Indians in an afternoon game.
