"WALKING DOLLARS"

Each year, thousands of Americans are victims of infantile paralysis. Many cannot afford to pay for the long and costly series of treatments which can in numerous cases restore them to a normal, walking life. To aid these thousands, and to continue the research which we hope will finally conquer this disease, dollars . . . not just dimes alone . . . are urgently needed by the National Foundation for Infantile Paralysis. Let us all give as many "WALKING DOLLARS" as we can to this worthy cause . . . so that others may walk again.
