## Murphy Boys Basketeers Get 7th Straight Conference Win

### Boys Team Wins Over Stecoah With High 76-27; Girls Lose Tilt

BY ADIR ARONSON

The Murphy boys humbled Stecoah 76-27 for their seventh conference victory while Murphy's girls succumbed 42-32. The Murphy boys completely ran away with their tilt with the first string quintet of Carringer, Amos, Shields, Lovingood and Hendrix playing only two quarters.

Murphy's boys basketball team—undefeated in conference play—suffered their first defeat of the season Saturday night when Western Carolina Teachers College Jayvees beat them 67-46 in a non-conference tilt.

The game was a prelude before the W. C. T. C.-Piedmont game. However, the Murphy boys forged ahead twice; in the first quarter 5-4, and in the third quarter 35-34.

Even in defeat Randall "Shorty" Shields, Murphy's six foot-seven inch center, led the scoring for both teams with 30 points.

The Catamount attack was led by Charley King, Ray Volrath, and

Bud McKinnis, who made 47 points between them.

Lyle "Pig" Carringer, Murphy's five feet, eight inch forward, played a first rate game, bucketing nine points.

Other Murphy scorers were Ed Lovingood, Edwin Hendrix, three points each, and Ray Amos who got one point.

Outstanding on defense for Murphy were "Shorty" Shields and Ed Lovingood.

The game against college players was good experience for the Murphy boys and a sharpener for the coming conference matches.

Murphy now has an eight-one record with six Smoky Mountain Conference wins.

### Murphy Boys Lose Non-Conference Tilt

In the first quarter Randall Shields, Murphy's elongated center, led the way to a 23-8 lead by scoring 14 points. At the half the score was 30-15.

**26 FOR SHIELDS**  
In the third quarter, with the starting five back in the game Lyle "Pig" Carringer, Murphy's star forward, scored 15 points, and Shields made 12. Shields ended up with a total of 26 points, leading both teams.

Carringer finished with 18. Murphy collected 30 points in that quarter.

Dallas Hall, Murphy guard, played outstanding ball, scoring nine points. Tommy Gentry and Ray Amos, both forwards, and Jimmy McCombs made five points each.

Carlos Hall, alternate center got three points; David Hendrix and Ed Lovingood each two points and Edwin Hendrix one point.

In the fourth quarter a Stecoah player fouled out, but was allowed to continue play for lack of substitutes.

**GIRLS' GAME**  
In the girls game the Murphy team was crippled by the absence of Lucille Hall, star forward, and Carolyn Alexander, guard. June Edward, Stecoah's star performer, scored 23 points to lead both teams. C. Sawyer, Stecoah guard, was third with 13 points. Betty Palmer led Murphy's attack with 16 points, playing one of her finest games.

### Mrs. Ledford Feted At Housewarming

Mrs. Jack Ledford was given a surprise Housewarming Party at her new home in Andrews Monday night. About fifty friends met at the home of Mrs. Bruce Payne and then went in a group to the home of Mr. and Mrs. Ledford. As Mr. Ledford made a quick exit, the guests presented Mrs. Ledford with a beautiful set of China.

Liz Frankum, Murphy forward, scored 12 points. Murphy's Mary Ellen Walker and Stecoah's R. Cable each made two field goals to round out the scoring.

A small crowd braved the rain to see the matches.

Murphy's boys have a 9-1 record with their only loss being to W. C. T. C. Jayvees. They have racked up seven straight Smoky Mountain Conference wins.

Murphy's girls have a 2-7 record, collecting wins from Hiwassee, Ga., and Hiwassee Dam.

The referee in Tuesday's game was Hal Buckner; umpire B. T. Wright.

Nantahala travels to Murphy for the tilt Friday night.

### Africa Study Book Reviewed By Byrum

The Rev. R. Delbert Byrum will review the Methodist church-wide study book 'Along The African Path' at the regular mid-week Prayer Service at the Methodist Church Wednesday at 7:30 p. m.

Miss Frances McConnell is author of the book which is being reviewed in Methodist Churches throughout the country.

### Fidelis Class Meets With Mrs. Carringer

The Fidelis Class of First Baptist Church met with Mrs. Ruth Carringer, Monday evening for a pot luck supper.

Mrs. R. D. Chandler presided over the business session. Mrs. Alvin Buchanan led in prayer.

### Slayton....

(Continued from page four) TVA for the past 11 years.

**World's newest V8**

with a million miles behind it

HERE, in literal fact, is the most advanced V8 engine ever placed in a standard-production American automobile.

It is the first such V8 to reach an 8.5 to 1 compression ratio, and the first with a dynamic flow muffler that cuts power loss to zero.

It is the first V8 to utilize vertical valves together with a 12-volt electrical system instead of the usual 6. It is also the first designed with new "T" type intake manifold to replace the "Y" type conventionally used in V8s.

It is, quite simply, the first V8 Fireball Engine—the engine that brings electrifying performance to the greatest Buicks in fifty great years—the engine that powers the 1953 Buick ROADMASTER with 188 hp., and the 1953 Buick SUPER with up to 170.

Naturally, this spectacular new V8 has been proved—by eight years of developing, testing, improving, perfecting—and by more than a million miles of driving through desert, mountains, cities and plains. Only then did Buick engineers mark it: Released for Production.

But these hard-to-please engineers gave these Golden Anniversary Buicks far more than new power.

They gave them, too, a still finer ride, more superb comfort, new braking power and handling ease—and a sensational new Twin-Turbine Dynaflo Drive\* that adds new quiet and whip-fast getaway to absolute smoothness.

Nothing, we believe, will do more justice to your automobile dollars—or to your love of magnificent motoring—than a visit to us right now.

\*Standard on Roadmaster, optional at extra cost on other Series.

Television treat—the BUCK CIRCUS HOUR—every fourth Tuesday.
