### Proper Homes . . .

(Continued from Page 2)  
ion wherever they live under the protection of the American flag.

So, in making our decision on a safe and proper home let us think of these requirements as spokes in the wheel which are surrounded by love, and in these homes we will find parents who not only know but live according to Paul M. Pitman's Ten Commandments for-ents:

#### 10 COMMANDMENTS

I. Thou shalt love thy child with all thy heart, with all thy soul, with all thy strength, but wisely, with all thy mind.

II. Thou shalt think of thy child, not as something belonging to thee, but as a person.

III. Thou shalt regard his respect and love, not as something to be demanded, but something worth earning.

IV. Every time thou art out of patients with thy child's immaturity and blundering thou shalt call to mind some of the childish adventures and mistakes which attended thine own coming of age.

V. Remember that it is thy child's privilege to make a hero out of thee, and take thou thought to be a proper one.

VI. Remember also that thy example is more eloquent than thy

fault-finding and moralizing.

VII. Thou shalt strive to be a sign-post on the highway of life rather than a rut out of which the wheel cannot turn.

VIII. Thou shalt teach thy child to stand on his own feet and fight his own battles.

IX. Thou shalt help thy child to see beauty, to practice kindness, to love truth, and to live in friendship.

X. Thou shalt make of the place wherein thou dwellest a real home—a haven of happiness for thyself, for thy children, for thy friends and for thy children's friends.

## Look what's worrying the low-priced three!

THERE'S a big story in the price of this beauty—but an even bigger one in what you get for that price.

You get the highest horsepower and compression ratio ever engineered into this Buick Series—from the extra-thrifty F-263 Fireball 8 Engine newly designed for this Golden Anniversary SPECIAL.

You get an even wider front seat than this roomy Buick had before—plus a new tilt-away feature that means easier in-and-out.

You get real big-car comfort, from deep, soft cushions with new zigzag type springs in both the seats and the backs.

You get the steady going and the sweet handling ease that come of a still finer Million Dollar Ride. Steering ratio is increased. Front wheels have been brought to zero-caster. And here, of course, you get coil springs on each wheel, full-length torque-tube drive, rigid and massive X-braced frame—ride features you get in no other car at the price.

But—you get the idea. And when you realize that the figure on this big, brawny, beautiful Buick SPECIAL is just a few dollars more than you'll pay for one of the so-called "low-priced three"—we're sure you'll say: "This is for me!"

Come in and try it out—then tell us if we're wrong or right.
