

# Extension Specialists To Conduct Schools Here Next Week

## Home Building, Food, Farm Be Discussed By Experts

Twelve State College extension specialists will be in Murphy next week conducting a countywide series of special schools, Miss Edna Bishop, Cherokee County Home Agent, and G. H. Farley, County Farm Agent announced.

The schools will be held Monday, Tuesday and Thursday of next week.

On Monday Mrs. Corinne J. Grimsley will begin the school with a discussion of "The Family Approach to the Housing Problem" from 10 until 10:30 a. m.

From 10:30 until 12:30 following Mr. Grimsley, R. M. Ritchie Jr. will have a demonstration and discussion on Construction and Remodelling.

Monday afternoon Miss Pauline Gordon will give a demonstration of "Built-ins" and color for the home.

During the schools, Miss Bishop said, persons are encouraged to ask questions, present their own particular problems and join in the discussion.

Everyone is invited to the school, and community builders, painters, housewives and older Four-H Club boys and girls are especially urged to attend some or all of the sessions.

On Tuesday Mrs. Grimsley will again begin the day with a 10 to 10:30 a. m. discussion of "Better Family Living".

From 10:30 until 12:30 George Klingbeil will give a demonstration-discussion of "Production of Small Fruits and Vegetables".

In the afternoon from 1:30 until 3:30 a Food Conservation demonstration will be given by Miss Rose Elwood Bryan and Miss Nita Orr, extension specialists in Food Conservation.

Miss Orr is a specialist in frozen foods and canning and other methods will be discussed by Miss Bryan.

The Livestock School program for Thursday, announced by Mr. Farley, begins with a discussion from 10 a. m. until 10:40 a. m. on "Preventing Losses in Marketing of Livestock" by H. D. Quessenberry, marketing specialist.

"Profitable Hog Production" will be talked by Jack Kelley from 10:40 a. m. until 11:20 a. m. Mr. Kelley is in the animal husbandry department of the extension service.

**CREOMULSION** relieves Coughs, Chest Colds, Acute Bronchitis

## Mrs. Bryson Dies Daughter's Home

Mrs. Charlotte Bryson, 75 died at 8 a. m. Wednesday, Feb. 11, at the home of a daughter, Mrs. Grady Farmer of Marble after a long illness.

Funeral services were held at 2 p. m. Friday in Unaka Baptist Church, with the Rev. Mr. Mulkey officiating. Burial was in the church cemetery.

Surviving, besides Mrs. Farmer are two other daughters, Miss Lula Bryson of Marble and Mrs. Bertha Scott of Mount Holly; four sons, Tom of Tellico Plains, Tenn., Buck of Robbinsville, Allen of Mount Holly and Sybil of Port Town, Tenn.

Also one sister Mrs. Rindy Medlin of Murphy two brothers, Dave Medlin of Bryson City and John Medlin of Unaka; 18 grandchildren, and four great-grandchildren.

Townson Funeral Home was in charge of arrangements.

**VISIT LITTLE WHITE HOUSE**  
Mr. and Mrs. Cloe Moore, Mr. and Mrs. E. C. Moore and Miss Marie Price of Murphy recently visited The Little White House at Warm Springs, Ga.

**DRAFT BOARD CLOSES**  
The local Draft Board will be closed Monday, Feb. 23, in commemoration of George Washington's birthday Feb. 22.

From 11:20 a. m. until noon C. B. Hatchford is in charge of a discussion on "Making Livestock Pay". Mr. Hatchford is in farm management and marketing extension.

In the afternoon the three discussions are: 1:30-2:10, "Pasture, Hay and Silage Production", by Sam Dobson, extension Forage Crop specialist; 2:10-2:50, "Profitable Sheep Production", by A. V. Allen, extension Animal Husbandry specialist; and 2:50-3:30, "Profitable Beef Cattle Production", by J. S. Buchanan, extension Animal Husbandry specialist.

Farley said that a large crowd attended the Livestock School last year and he encourages all growers to attend this year. He said, "Anyone who grows any kind of livestock will receive valuable information".

## MOST ADVANCED HYDRAULIC SYSTEM IN ANY TRACTOR

## NEW FORD TRACTOR

Now, in the new Golden Jubilee Model, Ford Tractor engineers have carried a time-proved hydraulic system to a new high in speed of response, lifting power, dependability and wide usefulness.

This Live-Action hydraulic system gives almost instant action at all times when the tractor engine is running. It handles larger implements and heavier loads. And, with Hy-Trol, it acts even faster when desired. Also possible is an almost unlimited variety of remote cylinder\* operations. In addition to all the time-proved advantages of the Ford Tractor's built-in hydraulic system, you get a choice of hydraulic speeds, quick hook-up, smooth operation of remote cylinders\* and the ability to handle bigger loads.

The more you learn about the new Ford Tractor the more you will find that it can bring new ease and speed to your farming—new economy, too. Come in—look it over!

THE GREATEST BUICK IN 50 GREAT YEARS

This you will discover:

No other car gets away from a standing start with the combined quickness, quiet and smoothness of a 1953 Buick with Twin-Turbine Dynaflo Drive.\*

With two turbines instead of one—and with engineering advances all through this miracle automatic transmission—you can get from zero to 30 mph before you take two breaths—and with more silence and efficiency than ever before.

Beyond this, there's new power that makes the entire range of performance more electrifying.

In every 1953 Buick SUPER and ROADMASTER you'll find the world's most advanced V8 Engine—the first Fireball V8. In every 1953 Buick

SPECIAL you'll find the famed F-263 Fireball 8 Engine redesigned to provide record horsepower and compression for this budget-priced Buick Series.

But all this flash-fast getaway, this new quiet, this stepped-up efficiency, this more spirited performance, can be judged only at the wheel of a Golden Anniversary Buick with Twin-Turbine Dynaflo.

Will you stop by and try one—with our compliments?

\*Standard on Roadmaster, optional at extra cost on other Series.
