ANNOUNCING

The Dearborn HAY BALER
 For all two-plow tractors and larger

**Makes As Many As 8 Firm-Packed Bales Per Minute
 ... Seals Nutrients In - Weather Out!**

The Dearborn Hay Baler provides a good solution to the problem of protecting good hay from weather "robbers." It's a one man, automatic twine-tie baler that changes windrows into firm bales in a hurry.

GREATER CAPACITY
 You really "make hay while the sun shines" with the Dearborn Hay Baler. It can make as many as 8 tightly tied bales in 60 seconds. That figures up to about ten tons of hay per hour! Furthermore, the 26 horsepower engine on this baler provides adequate power for all types of hay... lets you make the most of good baling weather.

MORE CONVENIENCE
 Such features as adjustable tractor hitch, tongue stand, built-in jack, automatic bale tension and bale counter are standard equipment. A wagon hitch and a chute extension are sold separately. These items make the Dearborn Hay Baler easy to work with... a great profit builder!

SEE IT SOON
 We'd like to prove to you that this faithful performer can save you plenty of time, money and trouble.
 Ask for a demonstration of the Dearborn Hay Baler. You'll be glad you did! Convenient terms available.
