Show them the Way... this week

A child's trust is a precious thing.
Instinctively your little ones rely upon your example . . .
so the pattern you set becomes their pattern, too.

By taking them to worship with you every week
they will come to know God . . . to be at ease with Him
. . . to feel the strength and warmth of His love.
And you will be building the foundation for a richer
and happier life for your whole family.
