will suffer a serious scarcity of teachers according to figures released today by H. Bueck, superintendent of Murphy Schools.

This predicament was revealed when Mr. Bueck's totals showed that Murphy elementary pupils are being schooled by teachers with an average of 19 years teaching ex-

Bueck pointed out, while this experience is valuable to the children, it also shows that many teachers are nearing retirement while there are no young teachers moving to replace them.

Murphy Elementary teachers have a total of 504 teaching years. In the school there are this year two teachers without previous experience and one teacher with only one year's experience. The other have had from two to 20 39 years in the teaching field.

totaling 167 years of experience, Ends-Dockery, Murphy, Pipes, average 12 years experience each There are two high school teach-

ers without previous experience. Texana teachers have a total of 45 years experience. Supt. Bueck cer Ptl. L. H. Baker the child dar- gan to tighten down, and in the burn. Backs-Elliott, Gentry, White, holds 32 years of experience.

Enrollment at the school this year, after the end of the second week of school show 882 pupils at Murphy Elementary School; 564, Murphy High School; 64, Tomotla; Cherokee County Fair. and 112, Texana. Sinclair Dealers Hold Meet Here

Over 40 Sincliar dealers were in Murphy Monday night for the district's annual winter dinner and meeting with Allison and Duncan Oil Co., distributors, as host.

The dealers were from Clay County, Union County, Ga. Ducktown Copperhill and Turtletown, all in Tennessee; and Andrews, Marble, Brasstown, Hazelwood, Waynesville and Murphy.

Two company officials from Charlotte and Hendersonville presented the program to the dealers. The program announced the winter advertising program with the theme, "Sinclairizing cars for win ter for safer driving."
