THE EXPERIENCE WILL TELL YOU MORE THAN ANY ADVERTISEMENT  
First thing you'll notice, of course, are the trim aerodynamic lines and the snug, secure way it hugs the road. Then, observe the passengers through the wide rear window... note the width of the seating. And, as you follow that distinctive "W" round curves, up hills, you'll notice the effortless way it pulls away from you. Watch as the Aero Willys threads its way through traffic thickets, and your lesson is almost complete. Drive it yourself. Let the car itself tell you the rest.
