POLIO DRIVE

A number of business places have been given March of Dimes containers and others will be contacted as soon as containers are available. It is hoped that all employees of each business place will put donations in the containers, there by enabling us to list them in the 100% column. I hope at the end of the drive to be able to put

the names of each business in Andrews in the paper as being 100%.

On Friday night, Jan. 29, from 7 to 8 p. m. we will have the March of Dimes Special Drive. Everyone who will help in this drive is urged to be at the City Hall at 7 p. m. and every family who wishes to contribute will please leave their porch light burning. All clubs in town are asked to participate in this drive.

A round and square dance will be held at the Andrews High School Gymnasium Saturday night, Jan. 30. Come and bring your friends. We will have plenty of good music and the proceeds from this dance will go to the polio fund. As I understand, one half of all money donated will remain in this county to help fight polio.

BABY POPULARITY CONTEST

The Konnaheeta Woman's Club is sponsoring a Baby Popularity contest to help raise funds for the polio drive. The winner will be judged by the largest number of votes, a penny a vote. If you have a child, sister, brother, niece, or nephew up to school age contact Mrs. Robert Heaton or Mrs. Jimmy Baer, with a picture of the child you are sponsoring.

KNOW YOUR BOY SCOUTS

If someone asked you the question, "What is a Boy Scout," what would be your answer? Have you ever attended their Court of Honor? Do you know all the achievements a Scout must accomplish before he becomes a Tenderfoot?

Scoutmaster Harold W. Katzman gives a good answer to the question of "What is a Scout?" "To the little lad next door he is a hero. To his buddy he's a 'good guy' . . . to his mother, a lovable mystery. . . to his teacher, a problem. . . to his sister, maybe a pest . . . to you and me, a 'complicated bundle of contradictions', needing our guidance. He is a thing of action; He is busy; he is doing things . . . he craves movement, activity,

and fun. He wants companionship and fellowship. He wants to "belong" . . . to be of the gang and with the gang. He is anxious to get ahead. . . to achieve things he considers worth achieving, and to assume responsibilities; He desires distinction among his fellows and hopes to be a leader among them. He likes competition. He wants to "know." His thirst for knowledge is unquenchable and his "whys" and "hows" and "wherefores" interminable. He practices hero-worship and is not ashamed to imitate the things he admires in those he looks up to."

These are the things that you find in a Boy Scout. Why not support your local Boy Scout troop by attending the Nantahala District Court of Honor for Boy Scouts Tuesday, Feb. 2, at 7 p. m. in the City Hall. Don Smith of Franklin, professional trapper in the Hudson Bay Region of Canada for seven years will be guest speaker. Hobart McKeever of Murphy, district chairman, will preside at the meeting.

PROFIT NEWS FOR HOG MEN!

It's generally agreed that it takes an average of five pigs per litter to break even raising hogs.

Last year the average hog man saved 6.44 pigs per litter. So he had 1.4 profit pigs.

The Purina Farm Duroc herd recently averaged 9.15 pigs per litter. That left 4.1 pigs, about three times the profits the average hog man made.

Why not let the Purina Hog Program help you TRIPLE PROFITS!

Come see us next time you're in town. Let us tell you more about the profit-making results your own neighbors are getting on the easy-to-follow Purina Program. Make it soon!
