An automobile, for example, can be a great source of trouble to its owner unless he has adequate insurance coverage. Some vitally important forms of protection for the motorist are Bodily Injury Medical Payments, Property Damage and Personal Accident.

DO YOU KNOW . . .

extended Auto Medical Payments Coverage will protect the person insured and relatives who are members of his household against financial loss resulting from bodily injury, sickness or diseases caused by accidents WHETHER they are riding any type of automobile not owned by an insured person under the policy or are PEDESTRIANS or CHILDREN on BICYCLES. Inquire about the reasonable rates.
