THE CAR THAT LOVES BAD WEATHER

4-WHEEL-DRIVE

WILLYS Station Wagon

Here's the car that is at its best when bad weather brings the toughest driving conditions—when snow piles up or rains make backroads a quagmire. With the extra traction of its 4-wheel drive and Hurricane Engine power, the Willys Station Wagon takes you through where an ordinary car would spin and stall. Selective 2- and 4-wheel drive make the Willys useful throughout the year... and invaluable in emergencies. It rides six adults or, with rear seats removed, you have over 100 cubic feet of space for hauling. Let us demonstrate this car that goes for bad weather—your best assurance of transportation under all conditions.
