look to **Plymouth** for
power news

In the low-price field, ONLY PLYMOUTH brings you NEW POWER for flashing new performance—NEW POWER for still more driving ease—NEW POWER for greater driving safety!

new PowerFlite transmission with new PowerFlow engine
PowerFlite, the newest, smoothest fully automatic no-clutch transmission in the low-price field, combined with the great new PowerFlow engine, gives you flashing acceleration with no lurch or lag. The PowerFlow engine's new 110 horsepower gives you ample reserve power for any driving need.

new Power Brakes
You get quick, smooth, straight-line stops with only half the usual pedal pressure! New Power Braking works with Plymouth's famous Safe-Guard hydraulic brakes which have two brake cylinders in each front wheel, where competing low-price cars have but one.

full-time Power Steering
Plymouth's Power Steering works full-time, not "on again-off again." It soaks up road shocks, eliminates "wheel fight," gives you more precise control on rough, bumpy roads or in deep sand or mud. And Plymouth's Power Steering lets you park with one-fifth the normal effort!

Just as Plymouth has always brought you the newest developments in riding comfort and driving safety, Plymouth now brings you the newest power advances in the low-price field! Come in and try Plymouth's sensational new performance, experience its great new driving ease—let us arrange your demonstration drive today!
