EDWARD H. BRUMBY

FOR REPRESENTATIVE

Subject to the Democrat Primary May 29, 1954

Your Vote and Support Will Be Appreciated

To the Voters of Cherokee County:

I have been asked why I want to represent my County in the General Assembly of North Carolina.

It is true that I would have to leave my family, and neglect my business for approximately ninety days. It is also true that the Representative's pay is not sufficient to meet all the expenses.

My reason for seeking this office is personal, in that my home, my family, and my business is all in Cherokee County. That is why I feel that I can be truly YOUR REPRESENTATIVE.

I am not pledged to or supported by any "special interest group."

Sincerely,
Edward H. Brumby
