**RE-ELECT**  
**RICHARD MAUNEY**  
A Native Son

**Representative**  
**Of**  
**Cherokee County**

If my friends of Cherokee County elect me to represent them again, I will be in a much stronger position than any new man without experience and knowledge of state affairs. The fact that I have earned some seniority in the General Assembly, coupled with my close association with the government of our state and its many officials and department heads, makes it possible for me to represent Cherokee County with a stronger voice than ever.  
I shall be happy to exert this voice in the best interests of my county.

**Richard Mauney**

You, The Citizens of Cherokee County, are to make a decision which, in my opinion, affects the lives of some 1,800 people.  
It is your duty as a citizen to consider every candidate for Sheriff.  
**AND CHOOSE WISELY.**  
Regardless of personal feelings or obligations, the responsibility of 1,800 people weighs heavily.  
**DO NOT TREAT IT LIGHTLY.**  
Thank you sincerely for your consideration.
