JUNIORS LEADING

The Juniors of Murphy High challenged the Seniors to see who can raise the most money by next Monday, for the March of Dimes Fund. The loser of the two will give the winner a party.

Both Juniors and Seniors are selling cakes, candy, canned food brought from home, funny books, popcorn, and other things to eat. The Juniors are now ahead.

POPULAR PLACE

During lunch hour, the School Library is one of the most popular places on campus. It is crowded with boys and girls who enjoy the reading material found there.

The library subscribes to 50 monthly and weekly magazines, in addition to the numerous religious professional and business materials.

There are three daily newspapers and the Cherokee Scout is a weekly gift from Mr. and Mrs. Costello.

The library has received three new books on Astronomy: "Sun, Moon and Planets," "The Stars," and "The Real Book about Stars." These books were presented by MR. W. F. ELLIOTT in memory of MR. HOWARD BUECK, the late father of SUPT. H. BUECK.

Most people still don't believe it. But it is true. And when you look into the facts, you'll find these two solid truths: Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price we show here proves it. So why not get what a Buick has to offer, if you are in the market for a new car? You find that the dollars you pay for Buick buy you a lot more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber. You find it in the record-high V8 power that gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra silencing—all part and parcel of every Buick. We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on. But—you get the idea. This is a buy, this '55 Buick—a great buy—and a thriller from the instant you press its gas pedal. Come in this week and check things for yourself, won't you? *2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster... \$81.70; Radio & Antenna... \$92.50.
