NEW LAWN MOWER USES twin action

This new power lawn mower will mow lawns, sweep up or mulch leaves and clippings, trim end edge, and cut grass or weeds of any height.

Secret of its remarkable performance is an entirely new design, using high-speed, twin cutters and four tiny safety wheels on which the mower rides.

This new type of mower won't scalp a lawn, no matter how bumpy or hilly. It cuts over edges and along walls or fences just as easily as on a wide lawn. It cuts a broad, 20-inch swath in any kind of grass, and through weeds of any height.

See a demonstration of this wonderful new kind of power mower before you buy.

The fad around Murphy High School these spring days are the brightly colored shoes that once were white. Anything from yellow, blue, lavender, pink, green and even polka dots, with nothing other than food coloring. Now food coloring is used for everything even to hair.

PLYMOUTH WINS

FOR 1955 STYLING OVER "OTHER 2" LOW-PRICE CARS BY VOTE OF ALMOST 4 TO 1

THOUSANDS PREFER PLYMOUTH'S STYLING IN NATION-WIDE SURVEY!

A well-known independent research organization asked thousands of people—in New York, Chicago, Detroit, Atlanta, Dallas, Los Angeles—to compare the appearance of '55 models of the three low-price cars. Opinions were received from men and women—from people of all ages—from owners of all the different makes of cars. The results are below.

Best buy new; better trade-in, too!

HERE'S WHAT OTHERS THOUGHT OF PLYMOUTH!			
Compared with low-price car "A"		Compared with low-price car "B"	
Plymouth is better looking	62%	Plymouth is better looking	66%
Car "A" is better looking	16%	Car "B" is better looking	17%
Almost 4 to 1 in Plymouth's favor!		Again, almost 4 to 1 for Plymouth!	
(22% liked "both about the same")		(17% liked "both about the same")	

HERE'S WHY YOU'LL PREFER PLYMOUTH, TOO!

Plymouth '55—with THE FORWARD LOOK—is the only low-price car to offer you honestly new styling, instead of a mere face-lifting. It's bigger than the "other 2" cars (longer than car "A" by 8.4 inches!). It's lower and sleeker, with a host of styling advances that wins the most applause in the lowest-price field. See everything Plymouth has to offer today!

Yes, the big swing is to Plymouth—See it today—drive it away!
