BETTER TIRE SERVICE

**Here's What We Do:**

- COMPLETE INSPECTION**  
Check tires and tubes for all types of injuries—breaks, bruises, cuts, etc. Inspect monthly for puncturing objects.
- REPAIR CUTS and BRUISES**  
These can result in punctures and blowouts. Our repairs last as long as the tire.
- CORRECT AIR PRESSURE**  
Incorrect air pressure cuts tire mileage. We check weekly with accurate gauge—make sure valves and caps don't leak.
- PERIODICAL TIRE ROTATION**  
Tread wear is different on each wheel—regular rotation distributes wear evenly.
- TIRE TREADING**  
A sound tire, worn smooth, will give many extra miles of service with new Goodyear factory-approved treading.
- WHEEL BALANCING**  
Check wheel balance when inspecting tires. Correct wheel balance saves tires and front-end parts—saves money.

**Here's why MORE PEOPLE ARE BUYING PONTIACS than ever before!**

You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars and much less than stripped economy models of higher-priced makes!

**Compare this price!**  
**\$ 2 2 2 . 4 5**

*Biggest car at this price (122" wheelbase)  
• Most powerful car at this price (180 horsepower) • Only car at any price with distinctive Vaguo Two-Tone Styling and the riding and driving ease of the torsion-free, Shock-Proof Chassis.  
860 2-door 6-passenger Sedan, illustrated. State and local taxes, if any, extra, as are white sidewalls and two-tone color. Price may vary in surrounding communities due to freight differential.*

You don't have to look far to find the reason for the tremendous surge to Pontiac. No further than the fact that only Pontiac produces cars that compete with the costliest in size, smartness and power, yet carry a price tag that is well under many in the lowest-price field.

That's what brings people in to see and drive a Pontiac—a value story they simply can't afford to overlook. And once they do—once they get a close-up of America's most distinctive styling... once they sample the superlative roominess and comfort of Pontiac's luxury interiors... once they try the pulse-racing thrills of exclusive Strato-Streak V-8 performance—they lose interest in every car but this.

Come in and get the rest of the story. See, drive and price this high-powered future-fashioned beauty. You'll find that if you can afford any new car you can easily afford a Pontiac.
