Book Eternal Strip Begins This Week

A new feature, especially designed for the smaller city newspaper, will begin in The Cherokee Scout today.

Called The Book Eternal, it is a reverent pictorial presentation of the Bible, and will appear in a four-column panel each week in this newspaper. It begins with the creation of the world and will continue through the entire Bible.

It will be sponsored in The Scout by Townson Funeral Home.

In one way, The Book Eternal is an answer to the lurid comic book problem now prevalent in almost every community in the United States.

It is good clean reading for both youngsters and adults alike, as well as giving an education in the Bible. The strips may be pasted up into scrapbooks, used in Sunday school classes and in similar ways.

SAVE 1/4 bu. grain PER PIG

PURINA SOW and PIG CHOW

The average hog man already has an investment of 2 1/4 bushels of corn in every pig the day pigs are farrowed. But the man who feeds his sows Purina Sow and Pig Chow on the Purina Program has an investment of only 1 bushel of corn per pig when pigs come—that's a difference of a couple of dollars per pig to start with.

Here's why—Purina Sow and Pig Chow has everything sows need to keep them up in condition and help them to grow and farrow big litters. Purina Farm farrowing records show better than 3 more pigs per litter than average. Many Purina Program feeders get equally good results.

And sows are ready with lots of milk... to start them right. Let us tell you more about Sow and Pig Chow and the Purina Hog Program. Come see us soon at Your Store with the Checkerboard Sign.
